## 5 Baby Shower Gifts That Mom Will Love

By Cynthia Marcano

With the pregnancy bug in the water system, you are bound to know someone who is having a

baby, if you aren't having one yourself. Pregnant women equal shopping time. Here are 5 gifts that any mother will most certainly be appreciative of. The baby shower gift ideas are great for those who are shopping or for mom's to put on their gift registry.

1. Diapers, diapers and more diapers. That is quite a bland gift but a very much needed gift. I don't any mom who will complain about having too many diapers with a newborn at home. To make diapers snazzy you have to dress it up a bit. You can find diaper cakes in lots of gift sites. Some come with as many as 150 diapers, plus booties, bibs and tons of other essentials for baby, but all in the shape of an all so cute cake.
2. Layettes, blankets, socks and burp cloths. Chances are they are going to get tons of these. However, these gifts tend to come in newborn or 3 months sizes which after a few weeks probably won't serve its purpose anymore. Making this a great gift is if you buy them in larger sizes. After a few months, mom still has brand new gifts for the baby to enjoy.
3. Pamper products for Mom. The last few weeks of pregnancy are very uncomfortable and can be hard on Mom. Let Mom have the star treatment as well. Once the baby is born, Mom's 15 minutes of fame are over.
4. Savings Bonds. A savings bond is a great way to help invest in the child's future. While everyone is thinking of now you are thinking ahead. It may also help jumpstart parents to jumpstart on baby's future if they haven't already.
5. Gift Certificates. You can never go wrong with a gift certificate. Mom and Dad get to choose what they want and you gave them that satisfaction. The obvious choice for a gift certificate would where the registry is set up. If they do not have a registry set up, good choices could include their favorite supermarket (formula, diapers) or baby store. Another gift certificate idea could be a check card gift certificate. It works like a credit card and can be used anywhere.

Tip: I don't suggest buying clothing unless the parents-to-be suggested so. Chances are they have already gone shopping and couldn't resist those tiny adorable outfits.

Unique baby shower gifts can be fun and creative or personal and memorable. As long as they are from the heart, unique baby shower gifts become keepsakes that families will treasure for a lifetime.

Baby showers are meant to celebrate the impending arrival of the newborn baby into the family. The baby shower party is an exciting and fun-filled event for moms and dads that are anticipating the birth of their beloved baby. Presenting them with unique baby shower gifts will certainly help make the party extra special.

Ideas for unique baby shower gifts

Unique baby shower gifts need not be expensive. Unique baby shower gifts can be something useful that can be used once the baby is born or a lavish gift for either the parents or the baby. Expecting parents take pleasure in receiving unique baby shower gifts from family and friends during the baby shower party.

These exceptional gifts mean that they took the time to find a really special gift for them. However, unique baby shower gifts are no longer just for the coming baby or for the mom-to-be. There are a wide variety of unique baby shower gifts for moms after giving birth, for dads and even for the excited grandparents.

Assortment of unique baby shower gifts

Unique baby shower gifts that are great for babies are personalized baby items. Items like baby bibs, baby blankets or burp cloths are lovingly appliquéd and personalized with a monogram of the baby's initials. These specially made pieces make great keepsakes that the family can cherish for a lifetime.

Custom made jewelry is another example of a unique baby shower gift that the baby can hang on to until he or she grows old. Jewelry like necklaces with pendants and bracelets can be personalized with the baby's name engraved on it.

There are also unique baby shower gifts for the proud parents. New parents will love to receive a custom built stroller bag or diaper bag to use when going out with baby. Plus new parents get a kick out of wearing fun t-shirts that sport amusing sayings poking fun at the new mother and father.

Another popular idea for unique baby shower gifts is baby gift baskets. There are different arrangements available for the baby gift baskets. Baby gift baskets often follow a theme and are designed specifically for either the baby, the mom and even the dad.

Gift baskets for mom can either be filled with maternity clothes or remedies for morning sickness. Unique baby shower gifts for dads can also be packed in a distinctive gift basket. The gift basket for dads can be designed as a survival gift basket like a daddy diaper tool kit.

Many online shopping sites offer a wide variety of unique baby shower gifts at reasonable prices. At the same time, many artists that specialize in creating unique baby shower gifts often sell their products online. Unique baby shower gifts can also be a personal creation of the gift giver for a more personal touch.
