A Day In The Life..... Of A Princess by Shag

A Day In The Life...
Princess Diaries?

Every Month we'll choose A Day In Life Of...

This will give you a chance to hear all about being a Princess, an Angel, a Brat, a Daddy's Girl, and A Birthday Girl...

This Month's Day In The Life...is

A Day In The Life Of A Princess

8:30 AM - Wake up to Britney singing... "Baby One More Time" on my royal alarm clock.

9:00 AM - Sachet into the royal bathroom to take a long leisurely bath filled with rose petals and Soy Milk (for that royally soft and silky feeling). Rose Petal filled bath is sooo fun and smell sooo good.

10:30 AM - Brunch with Mums & Pops in the Garden. Fresh Strawberries with Ice Cream over a Scrumptious Belgian Waffle, yum-yum! Cheese covered Hash Browns, A tall Strawberry Malted and this month's issue of Cosmo Girl.

11:30 AM - Stroll over to the Barn and Hitch up my Best Friend and Favorite Pony "Chelsea" for a Ride into the City for a Beauty Makeover.

12:00 PM - Beauty Appointment @ Pinky's Perfect Parlor. Pinky's the best in the country and it's taken a month to get an appointment with her. Hair, Make Up, Manicure & Pedicure and of course her Famous exfoliating Sea Kelp Wrap - All in The Name Of Beauty.

2:30 PM - Ride The Royal Float in the summer festival Parade. Remember to Smile and Wave at All that Adore me. The people of my Dad's Kingdom really do Love Me!

4:00 PM - Autograph signing at the Grand Opening of " Café Royal" - My cousins Coffee & Crumpet Shop. Remember to bring Pink pens - Pink is my Signature color.

5:30 PM - Home to relax after an Exhausting day in the City. Time for myself to read up on All the Latest Fashions, Watch a little Tube and maybe take A Cat Nap before Dinner.

7:30 PM - Dinner (Again) with Mums & Pops. This time though The Prince is Coming with his Parents. Prince Jeff is sooo Cute. He's taking me to The Movies after dinner.

A Day In The Life..... Of A Princess

Gladys is cooking tonight - my favorite, Vegetarian Lasagna, Yum–Yum. Desert is a Super Fudge Sundae with extra Whip Cream; Nuts & A super Sized Cherry!

9:15 PM - Finally, Prince Jeff & I are Alone seeing a Romantic movie together. He's such a gentleman... he bought a tube of Popcorn for 2, Extra Large Cherry slush and a Box of Bon–Bons for us to share. He held my hand through the whole movie and afterwards we Road home the Long Way on his White Horse. At my Front Door at the Strike of Midnight he gently gave me our First Kiss.

12:30 PM - Totally exhausted and happily in Love (with Prince Jeff) I crawl into My Favorite Cool Loungin Monkey Pants and Tank, Fall into a Deep Slumber in My Royal Feather Bed for a night of much needed rest, Only to wake up Tomorrow and start all over again.

The moral to the Story:

Being a Princess Is Hard Work. Be happy being whoever you are and Life is not always greener on the

other side of the fence.
