**100% Effective Natural Hormone Treatment**  
**Menopause, Andropause And Other Hormone Imbalances**  
**Impair Healthy Healing In People Over The Age Of 30!**

**A Gem In Miami**

**By Elizabeth Gilley**

If you're thinking about basking under tropical sunshine, then Miami Beach's Royal Palm Resort is the perfect place. Among the many Miami hotels and travel lodges, this one offers cheap rates for a four-star hotel. Plus, it faces the beach, so you wake up to the sounds of the waves crashing on the shore and an amazing beach view. Located at central South Beach, clients can literally walk to each and any of the attractions. The Convention Center is just a short distance away, as well as other fine-dining restaurants and exclusive boutiques. The clubs and bars that dot the area around the resort also make for an exciting nightlife. It also takes only 20 minutes to reach the airport from the hotel. The Miami Ballet, Ocean Drive, Botanical Gardens, and other tourist attractions are less than a mile away from the hotel. Downtown Miami, Coral Gables, Coconut Groves, and other tourist attractions are just a short drive away.

The hotel offers a \$200 rate for an overnight stay in an ordinary room. But the ordinary things that are in Royal Palm are not ordinary at all. It is a 17-story affair of Art Deco design. The beachfront resort, like most Miami hotels and travel lodges, offers luxurious suites and rooms all with Atlantic Ocean views courtesy of the private balconies. All rooms have basic amenities which include hair dryers, coffee makers, mini bars, data ports, and voice mail. These may seem very basic, but these are essentials especially for an individual traveling for business. Rooms vary and range from guest rooms, suites, non-smoking, double-bedded, and single-bedded rooms. Families with pets need not worry about living their pooches and cats at home since the hotel allows guests to bring pets, provided that these pets have been checked and vaccinated. Located near the beach, the hotel even provides an outdoor pool and a whirlpool. People who are concerned about their fitness and bodies need not sweat the lack of exercise during their stay because the hotel has an on-site gym and fitness center.

Personal services are thoroughly provided at the hotel. Aside from the multilingual staff that speaks English, French, Italian, Spanish, Hebrew, German, Greek, and Portuguese, the hotel also features accessible ATM machines, a laundry and dry cleaning service, baby-sitting, a laundry room, and safety deposit boxes. The hotel also has concierge services and the standard room services. Business travelers can also avail of copying services, courier, Internet, fax, computer use, printing services, and car rentals. Truly, in terms of personal services and world-class facilities, Royal Palm is indeed a gem among the many Miami hotels and travel lodges.

## **Miami Schools Provides Programs For Students' Future**

**By Stacy Andell**

### **Miami Schools Creates Education Council of International Cities**

In an aim to make students better prepared for the global marketplace, Miami Schools is creating the Education Council of International Cities. This council aims to help students gain the education they need to take part in the challenges of a new global economy. Many businesses in Miami and America now have more international services and concerns.

The motivation behind the creation of the Education Council of International Cities in the Miami Schools is to adjust and succeed in world where distance and time are increasingly less important as barriers to global commerce. The Miami Schools is aiming to add a more global perspective on education. The Education Council of International Cities will create international guidelines for quality education from both an academic and economic perspective.

The Miami Schools' Education Council of International Cities will be comprised of chief education officers, national and international business researchers, business leaders and mayors of major urban cities from around the world. This Council will use current research to provide professional development for teachers. Many fields have formed international research teams but these are not common in education. This is research team is also unusual in that Miami Schools is a large urban school district and most research teams come from smaller suburban schools. The Miami Schools' Education Council of International Cities will be formed and membership established by May 2007.

### **Miami Schools Joins Up with the Greater Miami Chamber of Commerce for the Future Executives Program**

Miami Schools aims to help students to choose a career by learning proper planning and business behavior from the Greater Miami Chamber of Commerce. This new program will be started in eleven schools in the Miami Schools system. The Miami Schools Future Executives Program will center around the "Tools for Success" lessons in the ninth grade. These lessons will follow a curriculum that includes postsecondary education, proper behavior in the work place, manners, ethics and conflict resolution.

The program also wants to establish Future Executives clubs in Miami Schools that will be responsible for two activities a year, a pre-holiday networking event in mid-December and a mini goals conference in May of 2007. This program is part of Miami Schools continued effort to ensure that children are armed with the tools they need to succeed in school and beyond.

### **Miami Schools Help Welcome New Pro Soccer Team to Miami**

## A Gem In Miami

Students in the Miami Schools are competing to help the new pro soccer team choose a mascot and a nickname. The Miami FC is hoping the students can help them choose the best nickname and mascot. The contest which began on September 18th and ends October 6th. The contest is open to all 361,550 K–12 grade students in the Miami Schools system. The contest will be judged by a panel composed of Miami Schools' officials, Miami FC staff, celebrities and contest sponsors. Three top nicknames and mascots will be posted for voting on the Miami FC's website. Students may submit their nickname

entries and mascot designs through their teachers.

Stacy Andell is a staff writer for Schools K–12, providing free, in–depth reports on all U.S. public and private K–12 schools. For more information on Miami schools visit
