"A Holy Terror" – Our Freedom Is At Stake

By Robert Maegh

"A HOLY TERROR" - OUR CHERISHED FREEDOM IS AT STAKE

Vosselaar, Belgium – 29-Dec-05 - Muslim terrorism is actually as well in the United States as in Europe and the other states belonging to the "West"(Australia, New Zealand and Israel), the main concern of the populations and Governments. Radical Muslims make no attempt do disguise that they want to destroy first Israel and then the rest of the "West". At the same time, China, India and the East Asian countries are ready to play a dominant role in world politics. In order to establish treaties, Muslim states are already approaching China and China already delivers parts of nuclear installations and missiles to these countries).

Are we heading towards a "Clash of civilizations" (as Samuel P. Huntington calls it)? Our future doesn't look bright at the moment. Our countries are politically divided. Europe shows a kind of anti-Americanism and anti-Semitism flares up again. The writer's website deals comprehensively with these problems on the pages: justification, information and bibliography.

In Robert Maegh's thriller "A Holy Terror", a story as up-to-date and frightening as tomorrow's newspaper, several terrorist organisations merge and begin to forge plans to establish the multi-national supremacy of Islam. In Sydney, Australia, John Friedmann and Siobhan Bergman stumble upon a murdered man and obtain possession of a terrorist map which gives vital information about future terrorist actions. In their quest to regain the information, the fundamentalists murder Friedmann's wife. The Holy Terror is set in motion around the world and there is an evil assault on Paris while the drinking water in Sydney is poisoned. Mossad and C.I.A. are involved. Siobhan and a Jewish officer are abducted. Will they be in time to rescue Siobhan? Can the extremists be stopped before they bring terror to the rest of the world?

The Politics of Freedom

By Kathy Simcox

The Politics of Freedom by Kathy Simcox

The war on terror should not be a political war. It should not be a war pitting Republican against Democrat or Christian against Muslim. The war on terror is a war on evil. There have been countless wars in our world that to some extent have protected against some level of evil. But this evil we fight today is an evil more bitter, more deadly, than anything you or I have ever lived to see. It is an evil so deeply rooted in hatred that it will take a very long time, if ever, to defeat. I am against war not because I am a Democrat or a peace-loving hippie, but because my Christian values tell me killing is wrong; because my Christian values tell me to love my Muslim brothers and sisters even though they worship God differently than I do; and because my Christian values tell me that its wrong to kill millions of innocent people, on both sides, because of those differences. I support the war on terror not because I am a Republican or a conservative bigot, but because I am an American who holds the value of freedom very near my heart; because I am an American who wants to live within the protective walls of that freedom for as long as I can, the very same protective walls so many young people have sacrificed their lives to keep standing; and because I want so very much for the rest of the world to know how wonderful that freedom feels and the peace that freedom brings.

"A Holy Terror" – Our Freedom Is At Stake

I support our President not because of any hidden agenda or foolish conspiracy, but because he is an American like me who despises the enemy of freedom and the enemy of his faith; because he despises the enemy of ALL faiths, including that of true Islam; and because he despises the enemy of humanity. I am a free American, and I believe in all who fight for that freedom.
