YOU CAN JOIN THE REALLY BIG PROFIT MAKERS IN MAIL ORDER NOW

No matter what book on the SUBJECT of mail order you read...no matter what mail order course you take...all the experts agree that to earn the really big money mail order, you must be able to produce the product you are selling. The reason of this recommendation is that you must drive your product acquisition costs down to rock bottom in order to really make big money in mail order. Normally, the only way to do this is to produce your own product.

Those mail order dealers who sell books, reports and manuals, the answer is to write your own material. Your labor and the raw printing costs are your only production costs, thus making your product cost as low as it can possibly be.

But the rub is that many mail order dealers do not have the expertise or the time to write their own books, manuals or reports. They need these things provided for them while still maintaining that lowest possible acquisition cost.

EARN SUPER PROFITS BY PUBLISHING AND MARKETING YOUR OWN "HOW-TO" REPORTS AND MANUALS

Now the dilemma is solved. Our collection of 82 BUSINESS REPORTS AND MANUALS can now be Your collection. When you purchase this complete set of reports and manuals we grant to you the reprint rights AND THE RIGHTS TO SELL THESE RIGHTS at the same time. YOU BECOME A PUBLISHER INSTANTLY!

When you purchase this complete set of fast-selling, profitable reports and manuals, we will automatically send to you our certificate of authorization to reproduce these reports as many times as you like without further payment to us. We'll also extend to you the privilege of marketing this set of reports and manuals in the same manner as we are here. You'll receive reproductive copies of this circular and five associated selling circulars.

We'll even provide your customers who purchase the complete set with a certificate granting these rights. No fuss, bother, no hassle to you. You simply have the reports reproduced locally at your Quick Print shop or a copy machine and fill the orders. Tell us who to mail the certificate to and send an addressed, stamped envelope and we'll send that customer his or her individualized certificate the same day.

NO PIE IN THE SKY, IMPOSSIBLE PROJECT

This opportunity is only feasible, but extremely practical. You don't receive reprint rights to a book that will cost you thousands of dollars to put into production. You'll be dealing with "how-to" reports and manuals of 2–9 pages each. You don't even have to staple them. Just fill your orders with the printed sheets and watch the bucks roll in! Print for just pennies...sell to others.
