One thing that you may want to take into consideration for these hotel choices are the attractions or interests that you have that Amsterdam can offer. Are you traveling for business? Are you traveling to sight see? The choice of hotel should put you where you need to be. Are you visiting Amsterdam to take in the beauty that the city is so well known for? Perhaps the flower gardens that line the streets, the quaint shops that call you in or perhaps you are looking to grow in the museums there.
