3G Mobile networks are live and can deliver high speed data applications with ease!

Mobile Ebook Readers are happening now, downloaded by the dozen by the "trendy and elite" of our society ! In case you didn't know it, you're living in the Mobile Information Age !

Did you know that growth in mobile data applications has grown over 20% in the last year ? It is skyrocketing because of the increased service area of the 3G mobile networks as well as portable handheld devices (PDA's / iPods / Compaq etc).

I'm sure if you are just now hearing about this new technology you may have quite a BIG question mark.

Have you read the "DaVinci Code" by Dan Brown or are you planning to go and see the movie?

I have just read the "Davinci Notes" on my iPod, I can actually finish reading a whole title in just 24 hours on my iPod. I always take it with me everywhere, my iPod provides me with a great reading experience, and best of all my mobile ebooks were all free! Think how much you can read and learn when you can download mobile ebooks without spending any money!

You can download some real good quality gifts at "The Great Big Giveaway"
