**Aspen Nightlife - Winterskol**

**By Burt Cotton**

Since Aspen is a wintertime playground for so many people, it is only fitting that everyone in Aspen

during the month of January participates in Winterskol. This is literally a celebration of winter, cold, and snow - which is a great deal of what makes Aspen, well, Aspen! Winterskol is the ultimate Aspen party.

Winterskol is held during the month of January each year, and it is the wildest winter celebration you will ever experience. The highlight of Winterskol is the Canine Fashion Show, where pets are dressed up in crazy clothing, such as miniature bridal gowns. Winterskol has been an Aspen tradition for more than fifty years - and it will continue for at least another fifty! The first Winterskol celebration was held in 1951.

During Winterskol, more than 40 events are scheduled in the downtown area, Aspen Mountain, Aspen Highlands, Buttermilk Mountain, and Snowmass Mountain. The entire area gets involved in the activities. Winterskol is a celebration of Aspen's Nordic ancestry, as well as a celebration of winter. While most events are scheduled in advance, Winterskol also brings several surprises as well. You just never know what you will find at the Winterskol celebration - until you are there.

Favorite traditional activities include the Canine Fashion Show, Winter sculpt, the Buttermilk Uphill Race, and Snowmass Splash. Don't miss the torchlight descent and the fireworks display over Aspen Mountain. Don't miss the unique competitions happening all over town. There is constant live entertainment all around town as well. If you are planning a ski vacation, and you want to have the time of your life - your destination should be Aspen, and your arrival date should coincide with the start of Winterskol.

Winterskol is an ongoing week long party with something for everyone. Amusement, entertainment, parties, and celebration are top priorities during the week of Winterskol. You have to experience Winterskol at least once in your lifetime - and after you have been once, you will be back. Winterskol is a celebration that is comparable with Mardi Gras in New Orleans - but a lot safer, and in many opinions, more enjoyable.

As they do for Mardi Gras, people come from all over the world for Winterskol. Event packages are available, but all of the lodges, hotels, motels, condos, cabins, and campgrounds sell out early. Make sure that you book lodging for Winterskol well in advance, and take advantage of the packages that the various lodges offer. Packages typically include lodging, airfare, rental cars, and other things that you may require as well.

Aspen Nightlife

Finding things to do in Aspen, Colorado during the day isn't difficult - get out on the slopes and ski or enjoy one of the other winter sports that you love. At night, however, Aspen really comes to life with Aspen nightlife! No matter how old or young you are, there is something to do in Aspen twenty-four hours a day, seven days a week.

Music and dancing are the biggest Aspen nightlife attractions, but there is more to do than just that - so if you aren't quite old enough to get into the various bars and clubs in the area, don't think that you will be bored at night - you won't be! Start by finding out what activities are planned for the evening at your lodge or hotel. Most lodges and hotels have events planned throughout the season - and this is a good place to start finding things to do after the slopes have closed for the day.

Shopping in Aspen is another highlight. There are many galleries and specialty shops that you won't find in your own hometown. Take advantage of this. Most shops are open after the slopes have closed for the day, and many stay open late because they understand that you want to spend your daylight hours out on the slopes.

If you aren't old enough for the club scene, take advantage of the teen nights that are offered by many of the resorts. These are safe fun nights for teens, which parents will approve of. Teens also enjoy the offerings at many of the spas. Spas aren't just for adults. Enjoy the skin treatments, massages, saunas, and hot tubs. Some resorts also have game rooms for the teens and younger kids.

If you are old enough for the bars and clubs - finding something to do won't be hard at all. Again, find out what is happening in the evening at your lodge or hotel first. If you aren't interested, hit the streets. Almost everything is within walking distance in Aspen, and anything that is out of walking distance is accessible by bus or taxi. If you will be drinking, do not drive your car to the bar or club - find alternate transportation.

The Aspen Recreation center has many planned events throughout the season that are appropriate for adults and kids. However, if you are planning to bring the kids, but you want to enjoy some adult

Aspen nightlife as well, child care may be available through your lodge or hotel.
