Balancing Your Promotions

by: **Larry Johnson**

-- SEARCH ENGINES

<http://www.Selfpromotion.com/>

-- LINKING

Here are a couple that I can recommend:

<http://www.linksmanager.com>

and

<http://www.websitetoolbox.com/>

-- JOINT VENTURES

It can work well if you can endorse the item with a personal statement and recommendation.

Be careful of jumping on all offers. Make sure they are legitimate.

-- ARTICLES

It's a Win-Win situation.

<http://www.marketing-seek.com>

and

<http://www.articlecentral.com>

There are many others. Just search "article directories".

-- AD SWAPS

-- EZINE ADVERTISING

Depending on the nature of your online business, some of these promotional types may have more or

less relevance for you.

Larry Johnson
