Better Than a Miracle

By Joyce C. Lock

Better Than a Miracle by Joyce C. Lock

For those whose lungs have always been healthy, breathing is something we are most likely to take for granted. Yet, observe a preemie whose every next breath is another miracle ~ or witness someone's exhaustion, when in need of a lung transplant, who truly knows why they call it 'laboring to breath'. Then, we just might get a glimpse into the fact that, if we can breath at all, we are a miracle, too.

God is in the miracle business, every day, blessing us in so many ways wherein we aren't even looking. In fact, we are so ungrateful that, if one leg is in pain, we don't thank Him for the one that isn't. We invite Satan to extend suffering, with words like, "I may never be able to walk again." If our healing isn't instant, do we conclude that God must have stopped doing miracles? If God does do miracles, perhaps we decide it must be for someone else.

According to your faith be it unto you. If you don't believe God heals, He won't. If you believe that miracles were only for beginning the new church age, you're missing out on blessings. Scripture was written as an example, not a history lesson. In all the ways God loved people of old, He wants to love us, too.

There are many gifts of healing, not just one, with diversity and differences in operation. But, God does heal. After all, Jesus wasn't the only gift God gave ... and a gift is free. God always heals, all that will receive, and that includes you, too.

We might see a physically blind man. But, God may see the spiritually blind heart. To give that man spiritual sight is worth far more. In fact, his spiritual sight, along with his physical infirmity, just might open more doors of opportunity to minister, as people are in awe of all he has to share, in spite of that handicap. In fact, one non-functioning sense could heighten all his other senses for true greatness.

Another could be physically lame; an outward show of one's inner desire to minister, but often faltering. Teach that person to spiritually walk, following none other than God, and they will be able to physically walk. As is often the case, heal the inner man and the outward one will function correctly ~

Better Than a Miracle

regardless of x-rays.

Then, there are those whose outward condition is in no way reflective of their inner needs. In such, a more immediate miracle may be in order. However, for those who don't give a hang about God, the real need of their heart is salvation.

One child was diagnosed ADD, in error. As it turned out, one eye sees far sighted and the other sees near sighted. Also, there was construction going on in the next room. It was such a distraction that all their testing was off. Children are often labeled learning disabled when, in fact, they are extremely gifted.

If your hip won't stay in place, check out your shoes. It could just be that you've worn down a heel,

setting everything else off balance. It may be the side effects of your medication that is wreaking havoc.

Look and live. Find the source of the problem. Sometimes, it's external. Get that corrected and see what wonders God will do. And, when you don't know the source, ask God. Seek and you will find. Knock and that door will be opened.

Jesus healed everyone that came to Him. There was no manner of disease that He couldn't do. Even in Paul's case, grace always has a point of redemption. And, didn't Jesus tell us that we can do the works He did and even more? He wasn't kidding. And, God replaces missing parts, too, sometimes even without transplants!

If you are not free, it isn't the truth. If it isn't the truth, it is a lie. And, if it is a lie, it was planted by Satan to keep us from our rightful inheritance. We can know this because truth always sets you free.

So, what can be even Better Than a Miracle?

Consider this ...

For all things are for your sakes,
that the abundant grace might through the thanksgiving of many redound to the glory of God.
For which cause we faint not; but though our outward man perish, yet the inward man is renewed day by day.

For our light affliction, which is but for a moment, worketh for us a far more exceeding and eternal weight of glory;

While we look not at the things which are seen, but at the things which are not seen:

for the things which are seen are temporal; but the things which are not seen are eternal.

2 Co. 4:15-18

When you receive a miracle of healing, that is an awesome testimony!

However, when it is for your sake that your healing comes over time, that becomes a testimony, too.

Better Than a Miracle

You spend at least some of that time growing in your relationship with God ... that is, unless you don't believe God heals. God makes your trial a blessing, as God is plenty capable of turning whatever Satan does into something good. You become a forerunner, learning how to overcome, wherein you, then, have a testimony to help others find their rightful place with God, too, and that blesses you even more!

Also, as is often the case, people, from all walks of life, have discovered the ability to serve via the internet ~ as their bodies haven't allowed them other options to serve. If they had been physically healthy, would they have, otherwise, ever dreamed to minister to hundreds, thousands, and hundred thousands?

In some cases, blooming where you are planted is the most loving option God can offer. But, again, grace always has a point of redemption. When you finally know your importance in ministry, as a child of God, and are ready to serve, just as vigorously, without your physical or spiritual thorn, Satan has lost his power over you and it's time for your healing. Praise God!

Not only that but, those who've suffered with Christ will also be glorified with Him!!!

God sees and feels your every hurt. There is nothing that touches your heart but what it touches the heart of God. Though, He also knows it is only for a season.

Sometimes, we view those with physical infirmities as weak, sinful, etc.; not realizing these are often God's chosen. In such case, God has granted these a time of spiritual growth. He does not see them as weak or sickly, at all. In fact, He is so very proud, knowing that these are His true warriors; ones that didn't give up on Him no matter what.

And, what you also may not realize is that, in addition to all the other lives you touch, every time you choose God in spite of all that ails ~ you are earning glory for all eternity! God looks upon the heart and, when you realize your rewards, you'll finally 'know' it really was worth it all!!!

Though, not even Jesus could be all that He was yet going to be until certain things were accomplished.

But I have a baptism to be baptized with;
and how am I straitened till it be accomplished!
Luke 12:50

Always, God does the healing and, often, via Jesus. There are choices we can make in the process of overcoming. But, none-the-less, God calls the rest to do our part.

If you want to see God's great army turning this land into something Better Than a Miracle, consider what God said.

Is not this the fast that I have chosen?
to loose the bands of wickedness, to undo the heavy burdens,

and to let the oppressed go free, and that ye break every yoke?
Isaiah 58:6

How Does Adwords Miracle Compare?

By Garth Jenks

Chris the author appears to be a decent guy, and his book Adwords Miracle is certainly a decent book, but my concern is that at \$97, are you paying for exclusive cutting edge Adwords info or are you buying into the hype??

So, what do you actually receive with Adwords Miracle package? The sales page promises 4 specific components plus access to a few videos.

Ive purchased Adwords Miracle and i believe that this is what you REALLY get. You get the main eBook, 3 'spin off' components and a set of 3 recordings showing you 3 of the areas that the book already covers in text form.

The videos are for people who may prefer to 'watch' the 3 particular aspects of Adwords rather than read about it. Just don't expect to learn anything new that isn't already covered within the main manual.

Having said all this, if Adwords Miracle WAS the only book available on Adwords then I wouldn't be disappointed and at \$97 it represents reasonable value. Id much prefer to buy and read this book than try to learn it all via my own research!

It is however, NOT the only eBook to be found on Google Adwords, in fact its not even the only good book available.

A Cheaper Alternative To Adwords Miracle to Consider Is.....

There is a much cheaper alternative available to Adwords Miracle. In fact its about 40% cheaper. Its called Adwords Elements.

Within Adwords Elements you can learn pretty much all the secrets outlined within Adwords Miracle, plus a couple of the authors own secrets. Its laid out and written in a simple, easy to understand

Better Than a Miracle

manner and is stuffed to the brim with the same sought of info that you can use to take full advantage of the power of Adwords.

In my own personal opinion using Adwords Elements, you will walk away with the same little known knowledge and advantages that Adwords Miracle offers, abet at a cheaper price.

Im not a massive fan of hype so thats all Im going to say. Check Out
