Murphy's Safety Songs

ISBN: 0-9748226-0-4

By Tim Young

Murphy's Safety Songs book and music CD is not only educational, but it's cute, fun, and uplifting. I couldn't help but giggle, wiggle, and dance to the fun beat. The songs are simple and catchy which means any toddler can memorize them and since toddlers learn by memorization, this is the perfect tool to teach little ones how to care for their pets.

Kindergartners can also have fun with Murphy's Safety Songs. Learning to read has never been more fun as preschoolers read along while listening to the songs on the CD. And finally, moms and dads can get a refresher course on many safety issues dealing with dogs by reading the short, concise tips in the back of the book. This is definitely a book meant for the whole family!

In fact, it's the perfect gift for anyone looking to rescue a dog from the pound, for preschool teachers looking for a new circle time activity, or kindergarten teachers looking for a fun, new way to help their children learn to read.
