Bridal Shower Favors and Games

Bridal Shower Favors and Games

The bridal shower is usually given by the bridesmaids and hosted by the maid of honor. Together with the bride, they come up with bridal shower favor ideas and games to play during the bridal shower. There are a number of favors, and it is traditional, like the wedding, to show your appreciation of your attendees and their generosity with bridal shower favors.

Bridal shower favors

There are a number of ideas for bridal shower favors, and many options. Bridal showers may or may not be themed, so that should be taken into consideration before buying the bridal shower favors.

Bridal shower favor ideas include bottle openers and stoppers, candles, bath or soap sets, customized personal luggage tags, wine, edibles, like chocolate and mints, bookmarks, pink and black lace potpourri sets, handbag holders, bookmarks, compacts, and much more. Like wedding showers, bridal shower favors can be customized if the bride so wishes.

Bridal shower games

After the bridal shower favors have been handed out, it is time for games. These can consist of anything from guessing games, where the guests answer questions to show how well they know the bride to bingo.

Bride trivia games are often excellent game choices for bridal showers and consist of trivia about the bride. An example of a trivia game would be if each guest has a writing tool and some paper, and the maid of honor calls out the questions. At the end, you total up the number of points and have a winner, or in some versions, first and second place.

Bridal bingo is always fun and you can either create a

board yourself or go to a specialty wedding site, like americanbridal.com, and find everything you need to have a fun game of bingo. Small prizes are given to the winners, and everyone has a great time.

Scrap booking is another enjoyable way to while the time during a bridal shower, and is a fun, creative way to build a book of memories for a bride to be. Notes of advice to the bride can be included, as can pictures and small mementos. Everyone can be given a page or theme, and create their own memories of the bride in that section.

The Planning of a Bridal Shower!

By Mike Yeager

Planning a bridal shower? Maybe a dear friend or even sister is getting married and you are in charge of planning the bridal shower? Bridal showers are customary and traditional. They aren't all about the bridal shower gifts though! They are a way to welcome new family members and celebrate a new beginning for the couple. But, they can also be fun if planned to be.

Start with the bridal shower invitations. You can purchase these from any department store with a card section or you can make them yourself using the computer. Either way, make them bright and colorful. Next consider what bridal shower games you might play. Some bridal showers are formal in that there are large amounts of people and a nice dinner atmosphere. Then, there are those that are more relaxed and laid back. At these, bridal shower games would work well. You can find games to play at the craft store or search for free bridal shower games online.

More things to consider when planning a bridal shower are bridal shower favors and even bridal shower themes. Many couples have a theme for their entire wedding. While this can simply be nothing more than a color pattern, they can also be characters and ideas. An example would be a Disney theme or a dove theme. Incorporate this theme into the bridal shower is possible.

Bridal shower favors can be a great way to allow people to remember the event years later. Often these small gifts given to the guests are ceramics, trinkets, or even just simply sweets. You can find

ideas that will suit your theme or your tastes in craft stores or even in some mall stores. Often times, people will attach a small message with their names and the date and event title to the favor as a keepsake.

There are many bridal shower ideas available to those looking. Several sources for more information include the public library and the Internet. You can find a lot of information at your fingertips no matter what you are looking for. Making a bridal shower memorable is a great way to honor those you love who are getting married. Taking the time to plan a bridal shower will give you the opportunity to enjoy it as well.
