**Christmas Gift Ideas: Interior Décor Presents**

**By Jeanette Joy Fisher**

Choosing a gift for someone to display in their home can be frustrating. On the other hand, if you're shopping for a friend or family member, you can give a present that will be appreciated.

**When to Not Give Home Décor Presents**

If you've never been to your friend's home, I would definitely not give a household item unless it's for a recent bride with a gift registry. Even if you're gift shopping with your friend and she points out a darling framed picture or frilly pillow, that doesn't mean the item will fit in her personal interior décor.

Perhaps you know your friend collects figurines like I do. Because of my last name, I started collecting fish years ago. However, I collect tiny glass antique fish, about one inch tall. The large wooden fish my mother gave me just doesn't fit my interior décor.

**How to Give Home Décor Presents**

If you have been to your friend's home and know she needs to complete her home decorating with accessories, here are some gift ideas:

1. Double check your friend's color scheme. Your gift doesn't have to match perfectly to blend in.
2. Make sure her home isn't too crowded with many small decorating items. Many small accessories make a home feel cluttered.
3. Make something yourself that has meaning to you both. For instance, make a stained glass icon to reflect light in her bathroom window.
4. Find an old snapshot of you two from the past. Get the picture touched up professionally and frame it in a frame that blends in with her home decorations.

5. Give your friend a huge candle dressed up with pearls, sequins, or seashells with a base that matches her style. For instance, if she loves silver, crystal, ceramics, or brass, choose that material.

If you give thought to your gift with these interior decorating tips, you will make your friend happy.

**By Adam Peters**

There are many different ideas for interior Christmas decorating. Interior Christmas decorating is an important part of most people's holiday festivities. For many people, the interior decorations are what defines the season of Christmas. Your home will feel warm with the proper interior Christmas decorating scheme. There are a variety of decorating ideas on the market today, but the best way to complete your interior Christmas decorating is to make the items yourself or with your family. The holiday season is about spending time together, and making things to warm your home will only help signify that to your family. There are several great ideas for your interior Christmas decorating needs.

Make yours the perfect holiday home with interior Christmas decorating

- First, create a diorama of bears or dolls dressed in festive seasonal clothes. You could put a small tree with little presents in your display. This is a great way to get your kids involved in the decorating process. Just be sure you don't use a favorite security object, as it might prove difficult to disassembly the diorama throughout the course of the season.

- Second, meet your interior Christmas decorating needs by creating bows from Christmas print ribbon and putting them in various places around your house including your curtains. · Third, hang stockings throughout your house, even if you know they aren't your stuffing stockings. It offers a festive feel to your home.

Next, use fabric paint and a traditional white table cloth to make a holiday patterned table cloth. This is another great activity to do with your little ones. Just be sure to express to them that they are not allowed to paint on the tablecloth on a year round basis. Next, dress your bathroom for the holidays by attaching ornaments and other decorations(of the unbreakable type) to a clear shower curtain with a hot glue gun. Another decorating idea is to get your houseplants into the swing of the season by hanging ornaments on them after you decorate your tree. For a quick ornament idea, try hanging a cookie cutter with a bit of Christmas ribbon. To help with your decoration as well as your Christmas trivia knowledge, place a basket of seasonal books on your coffee table or end table. It will look festive, and it may just help you win a quick family game sometime.

Interior Christmas decorating does not have to be difficult or expensive with ideas like these.
