## Dawson's Creek (DVD) Review

By Britt Gillette

Nominated for 12 Teen Choice Awards in its five-year (six season) run, including Best Drama

Series, Dawson's Creek quickly built an extensive cult following. A surprise smash hit for the enterprising WB network, the show initiated a successful string of numerous original series for WB such as Angel (1999), Gilmore Girls (2000), and Smallville (2001). Set in the fictional township of Capeside, Massachusetts, the series was nonetheless filmed almost entirely on location in Wilmington, North Carolina (although the opening theme song, "I Don't Want To Wait," is written and performed by Massachusetts native Paula Cole). Creator Kevin Williamson (writer for the blockbuster movie Scream) is said to have modeled the characters on Dawson's Creek after various aspects of his own self from his adolescent years...

Dawson's Creek follows the lives of several teenagers, some of whom grew up together, as they struggle through the tempestuous and volatile years of pre-adulthood. The title character is Dawson Leery (James Van Der Beek), an introspective and intelligent dreamer who lives nearby lifelong best friend Josephine "Joey" Potter (Katie Holmes), a tomboy unaware of how truly beautiful she is. Mutual friend Pacey Witter (Joshua Jackson) is part of their clique, as are newcomers Jennifer "Jen" Lindley (Michelle Williams), Andrea "Andie" McPhee (Meredith Monroe), and Jack McPhee (Kerr Smith). Together, the friends form the basis of a teen soap opera, complete with high drama, curiosity, and bits of comic relief. Known for its intelligent subject matter, clever dialogue, and no-holds-barred tackling of issues, Dawson's Creek made most of its cast overnight celebrities...

The Dawson's Creek DVD (Season 1) features a number of dramatic episodes including the series premiere in which longtime friends Dawson, Joey, Pacey, and new friend Jen attend their first day of tenth grade. Meanwhile, Dawson notices that Joey is growing jealous of his attraction to the new girl in town, and Pacey develops a crush on an unknown woman who just happens to be a teacher at Capeside High... Other notable episodes from Season 1 include "Discovery" in which Dawson discovers his mother's affair, Joey's knowledge of it, and some personal information about Jen, and "The Scare" in which Dawson and company scare themselves for real when a serial killer heads toward Capeside during their Friday the 13th séance...

Below is a list of episodes included on the Dawson's Creek (Season 1) DVD:

### Dawson's Creek (Season 5) DVD Review

#### By Britt Gillette

During its six-year run, Dawson's Creek was nominated for 12 Teen Choice Awards, making it one of the most successful original programs in WB network history. Taking place in the fictional location of Capeside, Massachusetts, the series was actually filmed in the real-life township of Wilmington, North Carolina (however the show's theme song was written and performed by Paula Cole, who calls Massachusetts home). Creator Kevin Williamson is said to have modeled the characters in the series after part and parcel of his own adolescent years... Dawson's Creek centers around the personal universe of several high school teenagers, each of them friends of title character Dawson Leery. Together, they form the basis of a teen drama series that has taken its place among the pop culture icons of its era. A smash success by every measure, the show helped catapult the careers of several cast members, most notably Katie Holmes...

The Dawson's Creek (Season 5) DVD features a number of dramatic episodes including the season premiere "The Bostonians" in which Joey begins her first semester at Worthington. Taking a writing class, she writes her first essay about her relationship with Dawson, prompting the professor to tell her the two have a great future ahead of them. But Joey disagrees, and when Dawson cancels his weekend visit because of an internship, Joey ends up leaving him a breakup message on his voice mail... Other notable episodes from Season 5 include "Text, Lies, and Videotape" in which Dawson is sharing his feelings with a psychiatrist while Pacey tries to convince Karen that her affair with Danny is a bad idea, and "Highway to Hell" in which Jen confesses to Jack that she wants to breakup with Dawson while Dawson has feelings for Joey once again...

Below is a list of episodes included on the Dawson's Creek (Season 5) DVD:

Episode 82 (The Bostonians) Air Date: 10-10-2001 Episode 83 (Lost Weekend) Air Date: 10-17-2001 Episode 84 (Capeside Revisited) Air Date: 10-24-2001 Episode 85 (The Long Goodbye) Air Date: 10-31-2001 Episode 86 (Use Your Disillusion) Air Date: 11-07-2001 Episode 87 (High Anxiety) Air
