When the Clock Strikes Twelve!

by: **Jaruda Boonsuwan**

I just finished reading another sales copy ending with the Deadline Marketing!

And it's the sixth I see today saying "If you order by midnight, blah blah blah...."

I'm sure you've seen it. And I'm sure you're getting (if not very) a little bored.

What's WORSE is not keeping the deadlines...

What I have for you here is a groundbreaking idea for your deadline marketing...

Instead of saying,

SAY,

Deadlines are Lifelines

See the difference? Feel the impact?

If you decide to use the deadline marketing, don't forget to make it right and make the most out of it.

Go get yourself a dynamic countdown javascript and put it on your site...

P.S. Be different. You can still offer the deadlines, but make sure you take a different approach!
