**Defending Christ**

**By Tim Edwards**

**Defending Christ by Tim Edwards**

Christian values are under attack daily. In fact, Christians have their rights violated regularly and worse still they allow it to continue unabated. Let me give you some background here.

I tried to place an advertizement in the local paper. Unfortunately, the word `Christian' was used. This word caused offense (I was advertising a baby sitting service), and was politely informed that I could not discriminate by using the word Christian. Allegedly this was in violation of some or other law (Federal law).

My first reaction was – total aghast. I was horrified. As I was doing this as a favor for a congregation member, I decided to leave it as is. Later on, I realized the danger of letting this go unchallenged. I did some research, and discovered that the newspaper had no grounds to reject my ad. When I called the newspaper up and requested further information on which law I was violating, the response was `Equal Employment'. I pointed out that I was not trying to fill a vacancy, but rather solicit clients! The ad manager had to call me back to clarify.

Isn't it amazing, the mere mention of the word `Christian' caused offense that he did not have to read the ad further, but rather be on the safe side, reject the word. What has our society come to that the word Christian is cause for offense? The word `Christian' is not allowed to be placed in ads?

I know you know this, but perhaps you have forgotten? The root word of Christian is Christ. Imagine a society where we are afraid of using HIS name in our media, because it may cause offense! This is the same name that so many "so called" agnostics use when in a fox hole and the artillery is falling everywhere, cry out to . This is the same name that so many violate daily in their cursing, the same name that mothers cry out when their children are on death's bed, or when loved one's are dying prematurely. We all call on Christ at some or other stage in our lives...in fact the first thing you do when you are born is speak the name of God. Your first breath, sounds like the Hebrew name : "Yahweh". The last thing you do before you die is speak out God's Name – your last breath. Your breath is the name that God spoke to Moses. When Moses asked God : "What is your name, God replied: Y – H – W – H" This is the sound of breath – the sound you make when you breath in or out. How is it then that

every time you breath in or out, you are calling upon God, but we cannot use the name of HIS son in schools, in the work place or in ads.

I wonder if the world realizes what would happen if we were not allowed to say the name of God anymore. Well...go on try it. Stop saying God's name for 5 minutes. All those that tried this, are not with us anymore...you can't hold your breath for 5 minutes.

God breathed into us when HE formed us. Breath is our life. Without breath we are not able to live in our human form. Every breath you take, you acknowledge God. How silly of man to try and stop us from breathing...

The Covenant and Christ

All are under sin, whether under the law or barbarians, and apart from the Law we are all in need of righteousness. Not one of us can stand before God righteous apart from Christ in us as our righteousness. God does have a covenant with Israel as His chosen race and we as believers are grafted onto the chosen race by grace. This is where there is neither Jew nor Gentile, slave nor free for we are all in Christ, and there is a level playing field for all mankind who are made partakers of divine nature.

We as Gentiles never become Jews, except in the spiritual sense we become circumcised in our hearts having the law of God written on our hearts and in our minds. In Christ we realise the fulfillment of the law in our lives. We cannot attain to it and neither can the Jew, so whether we are under the law or not, we are all facing the wrath of God towards sin. Where God will judge us for what we have done according to Paul's gospel, which is Christ in us, the hope of Glory.

We as gentiles do by nature that which is required by the law because we have Christ the fulfillment of the Law at work within us. What a wonderful position to be in before God. Israel is still God's chosen people and as such they have the protection and covenant of God.

Sin is what all men have and righteousness is what all men need.
