Diagnosis: Business Insanity

By Nicole Dean

Are you insane?

Most everyone has seen the following definition of insanity, accurately described by Albert Einstein –

"Insanity: doing the same thing over and over again and expecting different results."

Are you doing the same things with your business repeatedly and expecting different results?

Diagnosis: You may be "insane" in your business marketing.

At the start of a new year, comes a fresh start. How will you break free from your business insanity?

Find your Ruts

For A Better Business

>From here, I want you to ask yourself some questions:

Once your priorities and time wasters are clear in your head, you can move on to setting your goals.

Goal setting

"A goal properly set is halfway reached." – Zig Ziglar

So, how do you set realistic goals?

Sample goals may be
