Disney's 10 Most Magical Experiences

By Cara Goldsbury

Disney's 10 Most Magical Experiences

by: **Cara Goldsbury**

How do you narrow down a place like Walt Disney World into just a few days? A great way is to be sure to experience Disney's most wonderful offerings first and foremost and then allowing the rest to just fall into place. Here are the best of the best:

An Epcot Illuminations Cruise — Each evening boatloads of visitors depart from the docks of Disney's Boardwalk Inn and Disney's Yacht Club headed for Epcot. Their destination is a prime position under the bridge between the United Kingdom and France for a view of the Illuminations fireworks spectacular. Cruises are offered nightly with your choice of either a pontoon boat seating 10 or a beautiful reproduction of a 1930s Chris Craft accommodating 6–7 people. Although reservations can be made up to 90 days in advance, they sometimes sell out on the first day. Call 407–WDW–PLAY.

Dinner at the California Grill — The California Grill on the 15th floor of Disney's Contemporary Resort is a definite highlight for any connoisseur of cutting–edge cuisine. Through immense windows is an unbeatable panorama of the Magic Kingdom and the Seven Seas Lagoon and on many nights picture–perfect views of the Wishes fireworks. From pristinely fresh sushi to the exceptional New American Cuisine to sensational desserts and the outstanding California wine list, this place has it all.

Breakfast With Cinderella — High atop Cinderella's Castle in the Magic Kingdom is your chance to feast in a fairytale setting with Cinderella, Jasmine, Aladdin, and Belle. Kids love the grand dining room where through glittering leaded–glass windows is a birds–eye view of Fantasyland. The characters make their way around the dining room and give each child quality time signing autographs and posing for pictures.

Beachside Vista of the Magic Kingdom's Fireworks — On evenings when fireworks are on the Magic Kingdom's agenda, head to one of the Polynesian Resort's idyllic white–sand beaches, grab a hammock, kick back, and view the festivities.

Disney's 10 Most Magical Experiences

Your First Glimpse of Cinderella's Castle — As you walk under the train station at the Magic Kingdom and into a world of make believe, the splendor of Main Street is spread out before you with that celebrated fairy tale castle sitting at the end.

The Sight of Exotic Animals Grazing Below Your Guestroom Balcony — A stay at Disney's Animal Kingdom Lodge comes with a view of its marvelous savanna filled with hundreds of roaming exotic animals. After dark the preserves are lit with a moon glow effect, perfect for a nighttime stroll or after dinner entertainment from your room balcony.

A Picturesque Ride on the Monorail — Hop on board Disney's favorite form of transportation for a delightful journey around the Seven Seas Lagoon, through the interior of the Contemporary Resort, past the Magic Kingdom, and off through the pine trees on your way to Epcot.

Cocktails in the Grand Lobby of Disney's Grand Floridian Resort — This resort's favorite gathering spot is an exquisitely soaring, 5-story lobby of stained-glass cupolas and filigreed chandeliers. Find a seat on a cushy sofa and take pleasure in the lively big band orchestra while sipping a strawberry-topped glass of champagne.

Reliving the Drive-In of Your Youth At Disney-MGM Studios — At the Sci-fi Dine-In Theatre, guests are served in sleek 1950s-era convertibles while watching B-grade sci-fi and horror trailers on the big screen. Waiters on roller skates carhop the darkened, starlit theater, speaker boxes hang on the side of your car and, of course, popcorn and hot dogs dance on the screen during intermission. Though the food is just so-so, who cares when Godzilla is your entertainment.

A Float Through Splash Mountain — Who can resist the charms of Brer Rabbit, Brer Fox, Brer Bear, and the rest of the gang, even if it culminates in one heck of a plunge? Drift round the briar patch in a hollowed-out log while toe-tapping music plays among the cabbages and carrots, jugs of moonshine, chirpin' birds, and croakin' frogs as you relax and bob your head to the beat. As you float through bayous, marshes, and caverns, all a delight to the eyes with loads of colorful detail and too-cute cavorting characters, the heartwarming theme song "Time To Be Moving Along" plays. It's guaranteed to put a smile on your face.

Disney World Is A Great Vacation Spot

By **Bill B. Carmel**

Why is Disney World such a great vacation spot? Today, there are millions of people that go here to vacation each year. When we say millions, we mean on estimates of 12 million per year as of 2005. But, what makes this place so magical and wonderful of a location to travel to? There are many things that will inspire you to make this one of your family's travel destinations year after year. Here are some that you may not have thought about before.

- **The Extras:** Disney World offers plenty of extras that you will not know about until you are there. Most of the time, the parks will have a fabulous fireworks display each night to dazzle you. Sitting in the warm night air watching the fireworks explode is wonderful.
- **The Lodging:** It is highly recommended that you stay on the resort itself in one of the great themed hotels. Not only do these hotels dazzle you with their luxury accommodations (they don't cost much more than a standard hotel either) they also offer many small things. You get free transportation to the parks, world class care and a wide range of various themes to choose from. Consider staying at a wilderness lodge for a campground feel. Or, go to a location where you will see Mickey and friends each day.
- **Characters and More:** Of course you will see all the best Disney characters on your trip. But, you will also see some of the best of the best when it comes to experiences with them. Care to have dinner with the Princess at the Castle tonight? Perhaps you would like to have breakfast with Chip and Dale? You can find all sorts of fun like experiences with these characters that are just fun.
- **The People:** It is said that everyone that works at Disney World is happy and really that is the case. The 'cast members' as they are called really do go out of their way to please you. Perhaps you can even get a special thank you in the way of a free stroller or a free ice cream, just because. Ask any of them to help you and you will have what you need.
- **Something For Everyone:** It is hard to believe that you can go on a vacation that really does offer something for everyone. That is what Disney World offers. Learn about the world, space, and science. Enjoy world class foods from everywhere. Go on some of the best rides on the planet. Enjoy yourself the way that you want to.

Of course, Disney World also is continuously offering a wide range of discounts including free dining plans, lowered prices on lodging and a wide range of other promotions that happen at various times of the year. These things all make this one of the best places in the world to come to spend your vacation. It takes only a few minutes to find your place at Disney World. With so much to see and do and experience, there is little time to waste!
