## Entrepreneur's Prayer

By **Skye Thomas**

**Entrepreneur's Prayer by Skye Thomas**

Angels Mine,

I feel myself moving very slow, dragging my feet. I'm nervous that success will overwhelm me and my children. Would you please come wrap your wings around us? Guide us, protect us, bless us, and love us. Make me feel safe so that I will speed up the pace. I'm letting fear rob me of my motivation. What if I really don't know what I'm doing? What if I make a fool of myself? What if I never make a dime? What if I fail?

Please make your presence known. I don't want to guess or play at metaphors. Speak to me openly and with a clarity that cannot be denied. When I'm lost, don't carry me, just point the way. When I have to make important decisions, speak up and tell me your opinion. When I'm doing the right thing, smile on me.

Hold me to my highest good. Show me signs that I'm quite capable of accomplishing this task within the amount of time given. I don't ask for you to make it easy for me or to do it all for me. Rather, just shine a light on my own cleverness and adventuresome spirit. Be my cheerleader, not my enabler. Don't let me play small. Don't save me, just show me the vision again when I am ready to give up and quit. Dangle that carrot in front of me, but don't just hand it to me.

Help to remind me when I'm juggling too many things, that it is my bliss to do this work. Remind me of all the reasons why I love it so much. Don't ever let me take it for granted nor forget what lead me to accept this challenge. I am me and this is what I do.

Something that I wanted to share on Prayer that I once read .... especially after reading this "God's Heart is aching."

Prayer lifts heavy loads from our hearts. Prayer gives us courage to go on when the way looks dark. Prayer opens doors and melts hard hearts. Prayer changes lives and wins souls. Prayer brings response from God.

Prayer is not a duty to be performed; it is a privilege to be used and enjoyed. It is the talking over of life's problems with one who has power to solve those problems.

Prayer is an obedience of confidence in God. Prayer is an expression of our conscious need of God. Prayer is an act of obedience. Satan will keep us from praying if he can.

Psalms 34:10 "They that seek the Lord shall not want any good thing."

James 4:3 "Ye ask, and receive not, because ye ask amiss, that ye may spend it in your pleasures."

Jesus went aside to pray. If HE felt a need for talking to God, how much more do we need that strengthening fellowship!

Matthew 7:7, 8 "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you; For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened."
