Episodes Of Jacques by Tim Mack

"Thats too bad your land lady evicted you Jacques," Jacques neighbor said as he helped Jacques load his belongings into Jacques cab.

"Can't blame her Mike. She knew I was living way over my head. Even if she had given me a few more weeks to come up with the rent sooner or later I would have ended up behind on the rent again. Twelve hundred a month is just too much for me."

"Yeah Jacques. Maybe its for the best. Now all the woman in Hanover will have a shot at sharing their bed with you eh Jacques."

"Yeah, sure Mike. I'll bet you a pint that I'll end up sleeping in this cab tonight."

"I'll take that bet Jacques.

"Thanks for the help Mike. Got to go now. Just got a call to take someone over to Bess Johnson's place.

After Jacques dropped his fare off at Bess Johnson's he said, "I'll be around for a while if you need a ride back later. Just tap on the window when you're ready."

"Great, figure on about two hours or so."

Two hours later Jacques fare knocked on the window while Bess Johnson gave him a good night kiss.

"Hey Jacques don't you ever go home anymore,?" Bess Johnson asked.

"My cab is my home now. I got evicted today."

"Oh sorry to hear that Jacques. I'll tell you what though. After you drop my friend off come back. I think I know of where you can find an apartment at a reasonable rent."

Episodes Of Jacques

"Great Bess. Thanks, I'll catch you later."

Jacques took his fare back into town and then headed back to Bess Johnson's place. He figured someone like her would not say she knew of an apartment unless she was sure. He figured her for a very high class hooker based on her terrific looking body and the twice a week or so visit to her place on average by very well to do men. Whenever a fare was going to Bess Johnson's place Jacques always knew he would get a very generous tip.

Arriving at Bess Johnson's place Jacques was relieved to see that her lights were still on. As he pulled into her driveway Bess opened her front door and waved for him to come in. As he got closer to the door he could see that Bess was wearing a very sexy baby doll nighty. As Bess bent down to pick up

the TV remote control that fell out of her hand Jacques eyes feasted on the sight of Bess's breast's just about bursting out of the top of her pink colored top. Now all the way bent down the bottom of her nighty rode up her very shapely thighs revealing a very small heart shaped thong that covered her pussy.

"Sorry Bess, I see you're ready for bed. I'll come back another time."

"No problem Jacques, I'm was just watching TV. Nothing on that's very entertaining. Tell you what. I'll make you a nice roast beef sandwich if you do your Club Wild strip act routine for me."

"If you got a beer to go with that you got a deal Bess."

"Sure thing Jacques, I stocked up on Molson today. I'll join you with a Molson if you don't mind."

"Great Bess. I just hope I'm not keeping you up."

"No Jacques, you're not keeping me up. But lets see that strip act now."

As Bess prepared the sandwich Jacques danced around. As he unbuttoned his shirt Bess was surprised to see his rippling muscles and very firm abs. As he playfully slid his pants off Bess looked on lustfully at his muscular thighs. As he turned around he exposed his butt by letting his jock strap slide beneath his butt. He then pulled his jock strap back up and turned around and faced Bess again.

"Nice butt Jacques. But why did you pull your jock strap back up? I was looking forward to seeing everything."

"Thanks Bess, but I don't show it all till the final part of the act. At the Club Wild I lay down on the floor and while I do a sexy wiggle the bachelorette pulls my jock strap all the way off."

"Well what are you waiting for Jacques? Get down on the floor and do that wiggle."

Jacques did his wiggle on the floor and then said "at this point I let the bachelorette pull my jock strap off and ask her to take advantage of me and have her way with me."

Episodes Of Jacques

To Jacques surprise Bess bent down and slid off his jock strap. He watched as Bess threw the jock strap to the corner of the kitchen and removed her nighty. As her naked body stood over his Jacques threw his arms back over his head and said, "take advantage of me, I'm all yours."

Gently stroking his cock, she said, "its beautiful" as it throbbed from her strokes.

"Thank you Bess. Your body is even more fantastic than I imagined."

"Lets have those sandwiches now before I take you upstairs. I have something that I want to tell you Jacques when we go upstairs."

"Sure Bess. Cheers"

"Cheers Jacques. Oh I forget the napkins. But since were both sitting at the table stark naked I guess it doesn't really matter."

"Right you are Bess. My bod is wash and wear. Anyway its a lot more comfortable looking at you without any clothes on."

Looking down at Jacques lap, Bess remarked, "Yes you're happy to see alright."

"Thanks for the sandwich and beer Bess, but I should really go and let you get some sleep."

"Sleep! You think I can sleep now after seeing your sexy body Jacques? I'm tired of being with girly men. I need a tumble with a real red blooded man. Just come up stairs with me. I have something up there I want to show you"

"Okay Bess, lead the way. You have me curious now."

"Take a good look now and tell me what you think of it up here Jacques."

"Its very nice up here Bess. But what did you want to tell me?"

"Lay down on this bed and tell me what you think Jacques."

"Oh, a water bed. I love it Bess. This is super comfortable."

"Five hundred a month Jacques and its yours."

"Great Bess, I'll take it."

"Wait, not so fast Jacques. I require a three month security deposit thats due today for the apartment."

"That would be fiveteen hundred due right now. Sorry Beth I just don't have it."

Episodes Of Jacques

"I think we can work something out Jacques. I just need you to put up a little colateral."

"My Timex watch has a market value of about twenty bucks and thats all the colateral I have."

"I'm willing to waive the rent for any month you can't come up with the five hundred if you do me on the rent date. I'm a business woman Jacques but I have needs."

"Do you on the rent date Bess! What are you trying to do, make paying rent fun again? Of course I'm quite thrilled that you think a tumble with me is worth five hundred dollars."

"Oh, you're really worth quite a lot more Jacques but I'm a bit of a spend thrift."

"But I thought people paid you for their needs Bess."

"Yes they do Jacques. But thats for them. Thats for their needs. It does nothing for me outside of making my bank account a little richer."

"Okay Bess, you're on. Do you want the three months security deposit right now?"

"Yes Jacques I'd like it now, all of it now if you can. But remember, this is for me, not for you. So I'm in

total control. Just lay back on the bed and leave everything to me. I'm going to handcuff your hands and feet to the bed posts now so let me know if you want to change your mind before the cuffs go on."

"Bring on the handcuffs Bess. Your offer is just too good to turn down."

Now with the handcuffs firmly secure Bess stood over Jacques as her very full and firm beautiful breasts bounced over his chest as she came closer to him. He would have liked to touch her breasts along with her shapely thighs, but the handcuffs prevented him from doing so. Beth now climbed on the bed and sank her teeth sharply into Jacques neck. Jacques new that deep bite would turn into one giant sized hicky and he'd owe his friend Mike a pint just as soon as Mike seen it.

"The handcuffs are starting to hurt me Bess. I keep forgetting that they're on whenever I feel an urge to touch you."

"Stop fighting the cuffs Jacques. Just relax your body and tell me a story. Tell me how and when you lost your virginity."

"Its such a silly story I don't know if I should really tell you about it. I was sixteen when it happened. I lost it in my living room unexpectedly back in my home town of Joigny, France while I was watching television."

"Oh, you were watching one of those real hot french movies Jacques and you let passions flames run wild."

Episodes Of Jacques

"No Bess. I was watching a soccer game on television. With my eyes glued to the action of the screen I kept sticking my hand in the popcorn bowl without looking. My sweet heart of the time was watching the game with me, but I was ignoring her as usual when the game was on."

"So how did you lose your virginity then Jacques?"

" This is exactly how it happened Bess. I reached over to take a handful of popcorn from the bowl, but instead of feeling the texture of the popcorn I felt the pussy of my sweet heart for the first time. Somehow she had maneuvered her pussy into the exact spot where the popcorn bowl was and with her panties removed I reached into her exposed pussy for the popcorn. I love sports of course, but being French she was hard to ignore. As I stared at her pussy in surprise she removed the rest of her clothing and walked into my bedroom. I followed of course and never did see anymore of the game.

"Bet that was more exciting than the game Jacques."

"Oh yeah it was Bess. Damn, your not a vampire are you. You've got some sharp teeth. If I wasn't cuffed, I'd be checking for fangs now."

"They were just love taps Jacques. Brace yourself for the big bites coming.

Bess planted bites and kisses as her mouth slowly moved down his chest. As she started to twirl her tongue around his nipples he started to get a tremendous erection. He quickly realized just how skilled her tongue was as it twirled from the shaft of his cock to at last reach around his helmet. Then she thrust him slowly into her savouring every moment.

Her thighs were tremendous and powerful and Jacques knew that she could make him explode inside her ay any time she wanted, but she was careful not to over excite him. After about an hour had gone by and Jacques body was in a profuse state of sweat she turned up the tempo as her powerful thighs thrashed ever so harder as Jacques exploded inside her at last.

Smiling now as she uncuffed Jacques, Bess said "That was the best I ever had. Now lets shower together."

As Jacques soaped up Bess he became fully erect again. Leaning her body against the shower wall he thrust quickly and deeply inside her. Beth moaned with delight as she experienced multiple orgasms. As Jacques climaxed he said, "Thats two months security now."

Now Jacques had Bess completely toweled dry when she asked, "Could you give me that third months security deposit now."

"Yes I can," Jacques answered as he stretched her out on the bathroom floor and thrust deep inside her as she moaned wildly.

"Thank you for the three month security deposit Jacques. And I'll be looking forward to seeing you again on the first of the month."

"Sure thing Bess. You know where I'll be."
