Experience The Magic Of Disneyworld

By Clinton Douglas IV

Sunny Florida's own Disneyworld is an enchanted kingdom able to bring out the kid in all of us.

Who can resist a day or more among your favorite Disney characters within an unspoiled, fairytale land? Set among four awe-inspiring theme parks, Epcot® Center, Magic Kingdom® Park, Animal Kingdom® Park and Disney MGM Studios, visitors engulf themselves in 30,000 acres of rides, thrills, attractions, tours, shopping, wondrous entertainment, sports, resorts and lodging. You'll find Disney water parks, Blizzard Beach and Typhoon Lagoon, are two of the most invigorating water adventures in the nation.

Surround yourself in the delightful Disney theme by staying at nearby resorts. Patrons gain access to the convenient ground travel service of Disney's Magical Express, so you bypass airport baggage claims and arrive quickly and safely in your room. Many resorts include character breakfasts, in-room refrigerators, quick service dining, pizza delivery, playgrounds, plush suites, themed swimming pools as well as walking and jogging paths. Disney's value resorts start at less than \$100 per night, while deluxe resorts begin at \$200. You can even experience the great outdoors while visiting Disneyworld, with cabins and campsites starting at just \$39 per night.

Spend your day whizzing and whirling through thrill rides like Space Mountain®, Splash Mountain®, Expedition Everest or Mission: SPACE, or please your little ones with Kidcot Fun Stops, the Honey I Shrank The Kids movie set and the Wildlife Express Train. Hold onto your hats, mate, because Disney is celebrating the new Pirates of the Caribbean movie. You may find Jack Sparrow lurking in Adventureland® or the ride itself.

Meals are just as adventurous, with cuisines ranging from American to French, German, Mexican and Italian. Within the park, you can choose from character, casual or fast dining, dinner shows, lounges and special themed restaurants like 1900 Park Fare where you'll dine with a magical English nanny, a princess or one of the many characters from the rabbit hole. You can also stop in at Backlot Express to dine among movie studio props or visit Beaches & Creme Soda Shop for a real Rock 'n Roll escapade and a taste of the famous "Kitchen Sink Sundae".

Experience The Magic Of Disneyworld

Complete your sun–drenched, action–packed day with one of the most sophisticated fireworks displays you'll ever witness. Wishes™ Nighttime Spectacular lights up the warm evening sky as your favorite Disney characters - from Cinderella to Ariel, Jiminy Cricket and Peter Pan - sing, dance and tell an unforgettable tale. You'll see that dreams really can come true.

Plan your magical Disneyworld vacation, from air travel to lodging and more today.

Deluxe, Moderate And Value Disney Resorts In The Walt Disney World

By Valerie Tay

Where to stay when you are in the World can be tricky as there are almost 20 hotels that make up the Walt Disney World Resort Hotel collection, not to mention the array of accommodation out–of–the–World (i.e., off–property). In this article, I'll show you a sample of each type of accommodation on–property. On–site properties are categorized as Deluxe, Moderate and Value Disney Resorts. The price range for each category is as follows:

Deluxe Resorts \$205 to \$780

Moderate Resorts Rates \$139 to \$215

Value Resorts Rates \$79 to \$137

Deluxe Resorts

Needless to say, hotels in the Deluxe category are for those with deep pockets who want to experience the ultimate in Disney luxury and style. The hotels in this category include the Animal Kingdom Lodge, BoardWalk Inn, Contemporary, Grand Floridian, Polynesian, Wilderness Lodge, Yacht Club and Beach Club, and the Walt Disney World Swan and Dolphin. Deluxe resorts offer:

– elaborately themed pools with waterslides,

- world class restaurants,
- room service,
- valet parking,
- whirlpools,
- babysitting,
- bell services,
- concierge, and
- fitness center/spa.

If you enjoy the lush setting of tropical South Pacific, you'll love the Disney's Polynesian Resort. On this resort, seven villages along palm-lined pathways, a white-sand beach, thatched roofs and a nightly Polynesian luau invoke the feel of an island paradise. This resort is part of the Monorail system and is considered part of the Magic Kingdom Resort area because of its proximity to the Magic Kingdom theme park. The 75 species of indigenous vegetation on the resort will stir the plant lover within you.

Moderate Resorts

There are a total of 4 moderately priced Disney resort, namely, Caribbean Beach, Coronado Springs, Port Orleans Riverside and Port Orleans French Quarter. These resorts have the following amenities:

- full-service restaurants,
- food courts,
- room service,
- luggage service,
- swimming pools with a slide and hot tub,
- on-site recreation, and
- bus or boat transportation.

Named after the European explorer Francisco de Coronado, the Coronado Springs Resort combines the beauty, fantasy and unique cultural elements of colonial Spain, Mexico and New Mexico. Accommodations come in the form of casitas (little houses), which represent urban centers like Santa Fe or Monterrey. The casitas are nestled amidst plazas, fountains and palm-shaded courtyards.

The resort is built around Lake Lago Dorado, with a stepped Mayan pyramid towering over the pool area. The grounds of the casitas are decorated with lovely fountains and gardenia bushes. Besides the casitas, there are also ranchos, which are 2- and 3- story pueblo-style villas representing the rustic charm of rural Spain.

A cool feature of the resort is that almost all throughout its compound, you can look across water and see the other areas.

Value Resorts

Disney value resorts are for the budget conscious. They include All-Star Movies, All-Star Music, All-Star Sports and Pop Century. Each of these hotels has the following amenities:

- food courts,
- pizza delivery,
- luggage service,

- swimming pools, and
- bus transportation.

The All-Star Sports is playfully themed around sports of course, with sections centered around football, baseball, tennis and basketball. The philosophy behind this resort is bigger is better. You'll find bold and colorful pop art icons such as a 4-story football helmet, giant "tennis ball can" and megaphone-shaped stairwells.

The ambiance can get boisterous and fun because lots of sports teams stay at this resort. All-Star Sports is a great way to enjoy all the perks of staying on-property at WDW. You can:

- use the excellent Disney bus system,
- have purchases made in the parks delivered to your resort,
- charge expenses to your room,
- enjoy Extra Magic Hour early entrance to one park each day,

Experience The Magic Of Disneyworld

- count on assured entrance to the theme parks on crowded days, and
- enjoy life-guarded pools.
