Biometrics: The Future Is Here, Biometric Technology Has Arrived In The Security Industry

By Ralph Winn

What is a Biometric Reader?

How Does a Biometric Reader Work?

Why Use a Biometric Reader?

Other reasons to use a biometric reader:

1. It is affordable and user friendly, recognizing identity and granting access in less than one second.
2. Biometric reader can store information from 512 users (standard) up to 35,512 users (networked).
3. A biometric reader drives costs down while raising the level of security.

Biometric reader access control can be incorporated into your security system.
