Anniversaries do not only have a gift idea for each one but most also have a flower and gemstone to mark the years of wedded bliss.

The traditional gift for the first anniversary is paper. The gemstone is fresh water pearls and the flowers are pansies. So now you may be wondering what type of paper gift a man would enjoy.

There are many, a subscription to their favorite magazine, any book they would enjoy reading or even a note pad for their desk. All of these would be good gift ideas for a first anniversary gift. You could even tie some pansies around the gift with ribbon to give it an added romantic touch.

Cotton or straw is the traditional gift for the second anniversary. The flowers are cosmos and the gemstone is either rose quartz or garnet. What would be great for this anniversary?

A personalized towel made of cotton would be good. What about a watch with garnet stones that would be something any man would love to receive. Use your imagination. Plan a romantic hayride, this includes straw. After the hayride have a picnic on a cotton blanket. Using traditional gift ideas can be fun and enjoyable when you use some imagination to bring it all together.

A leather recliner would be the perfect anniversary gift for the third anniversary.

He will enjoy this gift because he will know that you took the time to choose each item in the basket to please your man.
