Graphology for Sex / Graphology and Sex

By Nilesh Gore

Graphology for Sex / Graphology and Sex

by: **Nilesh Gore**

First of all Thanks for coming this to page. Our sexual drive has effect on our personality & impacts our personal- social -professional- Social Success & development ratio. Before marriage or before experimenting the sex every person thinks about his / her stamina and how long he can sustain the inner drive. Person is also confused on whether his / partner can satisfy sexually or not.

Graphology can help you to solve this all. Relationship can't be fruitful without the sound psychosexual relation between partner.

Following exclusive things can be revealed by graphology.

- 1: Who is the person who definitely wants to stay away form the spouse ?
- 2: Which wife fights with her husband, when they are having food ?
- 3: who is the person serving opposite sex physically, financially & socially ?
- 4: Who is unable to give physical satisfaction to opposite sex ?
- 5: How strongly is the person active in sex?
- 6: Extra love and affection for romance
- 7: Extra love and affection with harsh, rough, cruelty choices for romance.
- 8: Willing & supporting to opposite sex for being stronger.

9: Wants romance but not ready to take risk for it, Wants romance but preference giving to duties & responsibilities.

10: Not happy with partner, Restricting himself from romance

11: Has no patience for romance

12: Early orgasm & problems in reproductive system

13: Sex drive sustainability & the way he performs sex.

14: Imagination & time spends on sexual topics.

These are the key things & other many things can be revealed by graphology related to life–partner & sex.

By graphology it is possible to improve the inner drive & to eliminate the problems regarding sex or regarding reproductive system but age & timeframe a very important factor here. This is the magic of graphology that neither you have to make any tests nor to perform attempts, all happens just with your handwriting. It is better to know the sexual elements of your partner.

You can help us for our research on sexual impotence /sex related problems of human beings for free of cost.

Graphology – Reveal the Inner Personality & Talent of a Child

By Nilesh Gore

Graphology for Sex / Graphology and Sex

Graphology is the science of understanding the human mind through person's handwriting. When a person writes, the signal in the form of letters get decoded / printed on the paper by the fingers. Graphology aims at understanding & interpreting these signals through the writing. Using this we can know a persons mind so the thoughts, character and behavior.

Graphology for Child development:— Every child's mind is programmed in the childhood by the influence of the male and female images in the child's life usually the parents. By the help of graphology Parents can understand their children in a better perspective & will come to know there strengths, weaknesses, likes, dislikes, Skills way of thinking, health & influence of their parents on him and can mould them to enhance their hidden skills for becoming better loving responsible individuals of tomorrow.

Career Selection for child :—

Graphology (handwriting analysis) can help you & your child in selecting the right career (E.g. Engineering - Electronic, telecom, Civil, Mechanical, Robotics, Medical, Art, Drama, Music, Etc) as per the interest, abilities, skills, creativity & expertise of a child.

It is also helpful to sharpen his creativity & intellect.

Requires no tests :— Handwriting analysis (Graphology) doesn't require any IQ tests / personality tests / assessment tests. Only thing requires is the pen & paper.

It helps in understanding & removing the mental blocks & removal of key aspects of failure - Procrastination, Indecision, lack of Persistence, self-deceit, ego dominance, etc. to achieve greater personal & professional success.

My graphology (handwriting analysis) research basically focuses on thought process of a child coz a single thought can make throughout changes in personality and character.

What you think ?, What your Child think (+ve or -ve) ? Which is a quality trait that you don't know but it is affecting your child? There is too much can be written on this topic, to know everything - experience it. (Pls visit –

) Moral is graphology can make bright improvements in

his personality (Personal, Social, Physical, Sexual, Intellectual, Spiritual, Etc.)

Because every child is born Genius, There is no PROBLEM CHILD ; Its our superficial mind saying so. Always remember – A Loving emotionally responsive parent will invoke positive, cooperative, loving responses form the child.
