Great Upcoming Concerts for 2006

By F.R. Penn

There are some great upcoming events for music lovers in 2006.

The 2005 Grammy award winner John Mayer is touring during the early part of the year. This is definitely not one to miss. John Mayer's career really took off in 1999–2000. Working out of Atlanta, he produced his first solo album, "Inside Wants Out", in 1999. Mayer became a regular draw in the Atlanta club circuit. Then, an appearance in March of 2000 at the South by Southwest Music Festival equated to a recording contract with a subsidiary of Columbia Records. He recorded his major label debut, "Room for Squares", with producer John Alagia, who had previously worked with artists like Dave Matthews and Ben Folds Five. Room for Squares featured electric funky hooks and Mayer's versatile, smooth voice, which bore a striking resemblance to the stylistic sound of Dave Matthews.

Upcoming John Mayer Events:

- 01/30/06 On ABC @ 9:00pm, In Style TV Show – Chicago, IL
- 02/09/06 Tonight Show with Jay Leno – Los Angeles, CA
- 02/13/06 Adelaide Entertainment Centre – Adelaide Australia
- 02/14/06 Rod Laver Arena – Melbourne Australia
- 02/15/06 Rod Laver Arena – Melbourne Australia
- 02/17/06 Entertainment Center Newcastle – Newcastle Australia
- 02/18/06 Entertainment Center – Sydney Australia
- 02/19/06 Entertainment Center Wollongong – Wollongong Australia
- 02/21/06 Royal Theatre – Canberra Australia
- 02/23/06 Brisbane Entertainment Centre – Brisbane Australia
- 02/25/06 Perth Challenge Stadium – Perth Australia

Speaking of Dave Mathews, the great South African vocalist/guitarist of the Dave Matthews Band is doing something unusual and interesting. It begins in Florida on Friday February 3, 2006 as Sovereign of the Seas sails from Port Canaveral while, simultaneously, Majesty of the Seas sails from Miami, each ship carrying fans and Artists on a weekend musical fantasy trip to the Bahamas. Dramatically, in the Atlantic, these two sister ships will converge and sail side by side, an event of rare occurrence in cruising history. Artists scheduled to perform during the cruise include Dave Matthews & Friends, Bob

Weir & Ratdog, G. Love & Special Sauce, Toots & the Maytals, Ozomatli, North Mississippi Allstars. Mike Doughty's Band, Soulive, Mofro, Michael Tolcher. ALO (Animal Liberation Orchestra), DJ Logic, Motion Potion, John Brown's Body, Grace Potter & the Nocturnals and Brett Dennen. The Dave Matthews Band was formed in Virginia in the early '90s. Featuring Matthews, Stefan Lessard, Leroi Moore, Boyd Tinsley, and Carter Beauford. They built up a strong word-of-mouth following in the early '90s by touring the country relentlessly, concentrating on college campuses. Rumor has it that the Band is planning a summer tour for 2006. As for the dates and locations, keep your eyes peeled.

Out of all the former Beatles, Paul McCartney by far had the most successful solo career, maintaining a persistent presence in the British and American charts during the '70s and '80s. In America alone, he created nine number one singles and seven number one albums during the first 12 years of his solo career. Although he sold records, and is wildly popular, McCartney never attained much respect from the critics, especially when compared to his former partner John Lennon. This changed entirely with his release of "Flaming Pie" in 1997. One momentous live performance given by McCartney was "Good

Day Sunshine" performed for the international space station crew. NASA astronaut Bill McArthur and Russian cosmonaut Valery Tokarev were treated to a live wake-up call of the Beatles classic in a first-ever concert linkup to the space station. Currently, Paul McCartney is not touring.

Coldplay is a band destined to be hailed as one of the most creatively sparse and emotionally artistic to come around in quite some time. The London-based quartet can comfortably go from stunning stadium anthems to slow-burning churns and do it with a flair like no other.

Rob Thomas is just wrapping up his first solo tour. The former singer and main songwriter for Matchbox Twenty, a Florida based alternative group that found success with a blend of '70s rock influences and 1990s grunge crunch. The band broke into major success in 1996 with "Push". They were then off and running. The album "Yourself or Someone Like You" went platinum a dozen times over in the U.S. Ultimately, a song he co-wrote for the Carlos Santana album Supernatural. "Smooth" launched Thomas to stardom. The track collected three Grammys including Song of the Year, and Thomas was selected to People's Magazine "Most Beautiful People" list. Thomas has only two stops left on his current tour:

2/13/06 Adelaide Entertainment Centre, Adelaide
2/14/06 Melbourne Park – Rod Laver Arena, Melbourne

2006, Is It Your Year?

By Hifzur Rehman

Do you think 2006 is "YOUR" year or just "another" year in your life similar to the previous ones? What does 2006 mean to you?

What is your slogan for 2006?

2006 is My Year of Happiness

2006 is My Year of Success

2006 is My Year of Achievement

2006 is My Year of Marriage

2006 is My Year of Fitness

2006 is My Year of Spiritual Enhancement

2006 is My Year of Financial Independence

2006 is My Year of Getting Excellent Results in Exams

2006 is My Year of Learning a Foreign Language

2006 is My Year of Improving Writing Skills

2006 is My Year of Buying a House

The bells are ringing and we are just counting the days when 2006 will enter into our lives. Are you fully prepared to welcome 2006 and want to make it the most rewarding, fruitful and memorable year of your life?

What mistakes did you do last year? What went wrong with your agenda? What remedial actions do you want to take now?

Are you expecting some miracles to occur in 2006? Nothing positive will happen unless you take control of your life and decide to change your life in the manner you want to live. Without effort and without proper planning your fate will remain the same as it is in the present moment.

Wake up! Face the reality and act now! Start 2006 with a strong commitment. Choose your own slogan for the new year. Make it YOUR year. Say loudly and repeatedly "It's MY year, every day is MY day, every night is MY night and every month is MY month (January to December)".

Are you ready to jump start new year with a new slogan, new vigor and new enthusiasm? I am sure, you are, because it's YOUR year. Good luck in the year 2006!
