HAVE YOU EVER SAW AN ANGEL?

By Irvin L. Rozier

HAVE YOU EVER SAW AN ANGEL? by Irvin L. Rozier

Hebrews 1 verse 14 "Are they not all ministering spirits, sent forth to minister for them who shall be heirs of salvation?"

The following is a testimony of two incidents where I believe God sent an angel to minister unto me:

In July 1993, I was driving down the highway during a blazing hot day. There, beside the road, was an elderly gentleman hitchhiking. He was dressed up in a suit and had a small bag of belongings with him. The Lord spoke, and said, "Pick up this man." At this command, I stopped my old Datsun truck and offered him a ride. He gladly accepted as he pulled out a handkerchief and wiped the sweat from his face. I introduced myself and asked him where he was going. He said he was going to Washington, D.C. As he began to talk, I felt the presence of the Lord. This man was of a swarthy complexion. He said he was an Eskimo and came from Puerto Rico where he had been in seminary. He showed me a military identification card that reflected that he was a retired Colonel, U.S. Marines. He spoke 12 languages fluently. As I pondered this information, this verse of scripture popped into my mind, "Be not forgetful to entertain strangers; for thereby some have entertained angels unawares" (Hebrews 13.2). The Lord spoke to me and told me to take him the forty miles to Jesup (Amtrak station), and to give him that \$100 I had in my pocket. I obeyed. Out of the mouth of this man came answers to some of my prayers I had prayed. One of these prayers was about going to Washington, D.C. I later went on this mission, and the Lord used me in a great way.

On 28 February, 2004, after church, the Lord spoke to me and told me to go to Ocala, Florida, about 160 miles from where I live. I packed a few belongings and drove on down there. When I arrived, I asked the Lord where to stay, and He directed me to the old Ritz in downtown Ocala. I booked my room, and looked around at some of the sights. I retired for the night, and woke up refreshed. I went down to the area where they served a continental breakfast. The attendant and I were the only ones there. I got a cup of coffee and a few pastries, and sat down. Soon, in walked a young woman whose presence filled the room. She had the brightest blue eyes and a glow about her. There was a karaoke machine there, so I asked her, jokingly, if she was the singer. She then began to sing a beautiful song, I Can Only Imagine, a song about heaven. When she sang, it was so beautiful and peaceful. I talked

with her some about the Lord, and relayed some of the burdens I was going through. She told me that God loved me, placed her hand (the warmth of her hand was incredible) on my heart, and said, "You are a good man. God loves you very much and will take care of you." She then departed and I was left with a lasting impression of God's wonderful love. About an hour later, I went to my truck to leave, and there, posted on my window was a note. It said, "God said to me...with all the riches you've stored...you've got so much rewards to choose from...and all you want is love..You shall have it." I still have the note. I never seen her again (she could have been anywhere between the ages of 18 to 30). And the Lord has showered His love upon me. I am blessed.

Do Angels Have Names? by Judi Singleton

Angels may use different names from time to time. They will tell you their name if the time comes this is important for you when contacting them.

Each of us have our own angel. They have been with us always since the conception of all souls and all angels. This angel is assigned to help you connect with your Higher Power and to grow spiritually. This angel loves you with an unconditional love. Your angel knows every thought, action and subconscious thought you have. Your angel is here to love, honor and understand you. Your angel will help you with your souls development. However, you must invite your angel in as they never interfere with your fre* will.

When one first tries to contact their personal angel you may wonder if the contact has been made or it is just your imagination. This is perfectly normal everyone trying to contact their angel experiences it.

Just keep contacting your angel and the quality of the information you

HAVE YOU EVER SAW AN ANGEL?

receive will become more reliable. You will begin to experience being protected, comforted, and never again will you feel alone.

Contacting your angel will not interfere with any religion that you practice it will only enhance the experience. For most people being in contact with their personal angel speeds up the process of letting go of anything that is keeping you back from experiencing your full spiritual potential. This can be a very upsetting time as things

change fast but your angel will be there to help you through this time and you will come out the other side a happier, and more spiritual person.

Your companion angel will guide you on special paths you might not of ever thought of without them. Remember they are here to communicate

Higher Powers plan for you to evolve spiritually directly from the

Higher Power to you. So trust your angel and follow their guidance. Feel the love and understanding of your own angel who has known you always and loves you unconditionally. This angel can teach you to love yourself unconditionally.

Don't worry to much about the name of the angel they will give you a name as close to their vibration as you can understand. They do not call each other by names because they know they are all one with Higher Power. Something that a lot of mankind is still learning.
