Start Conversations as Easily as You Start a Car

By Arlen Busenitz

Step 1: Put the key in the ignition

Step 2: Turn the key

Here is the 2-step method for starting conversation:

Step 1: Break the silence

Step 2: Ask a good question

1. Break the silence

"Hi Tom"

"Good morning"

Home For The Holidays: Start That Conversation

"Hello"

There is a second way to break the silence and that is with a comment. This works well with strangers.

On a plane: "This has been a long delay."

To a clerk: "Looks busy today."

To a friend: "That was a good football game last night."

Now that the silence is broken, it is time to get the conversation flowing with the second step.

2. Ask a good question

"How are you doing today?"

"How was your week?"

"Where are you from?"

"How often do you fly?"

"What do you enjoy about this class?"
