Hi ,

Everybody has something to sell and almost everyone is interested in working for themselves. This is fun, combines both and has a very high conversion ratio.

I'd love to get you set up in the program. It's the highest paying affiliate program I've found, and my steadiest stream of income. It's one of the oldest business models around; you're just referring someone and being paid if that person "buys". In this case all you are doing is offering a free class that they can attend from the comfort of their own computer, at the end of that free class they are offered an opportunity to enroll in an advanced training program. You're paid \$700. each time someone enrolls. There's no selling on your part. On average 1 in 12 who attend this free class will enroll! And it's not that hard to give out a free class.

This free conference gives them 2 hours of excellent info on how to generate multiple streams of income using the Internet with the majority of the focus on eBay. The advanced training they offer is a 1 year program of unlimited live training classes, live coaching from power sellers and Internet experts, proprietary software, custom websites, product acquisition help, ect...

The company offering these free conferences, with their large referral fees, is Online Auction Academy. We've been training people for a little over 2 years and just started this affiliate program for power sellers like you. We've done some research on the almost 3000 students who've gone through training and found a huge percentage were just average eBay buyers before they got involved.

Because of the amount of auctions you have up at any given time, and the hundreds of buyers looking at your auction descriptions, you've got a great opportunity to offer this free class and collect some of those \$700. commissions.

There are 2 ways you can offer this free class. The first one is to add a line at the beginning of each of your auction descriptions that reads something like:

" Learn to sell like the pro's. FREE training conference. Taught "live" from the comfort of your own computer" To enroll please visit my About Me page. [Click Here.](#)"

On your About Me page there would be a little more description on the free class and your "affiliate" tracking link that will allow them to enroll in any upcoming free conference. These are taught live 3 to 4

times each week. The tracking cookie will stay active for 6 months and give you the \$700. credit any time that person signs up for the advanced training. So if they click on your link but decide not to enroll for the advanced training until 5 or 6 months down the road, you are still given credit. This is a new program, but they already have one power seller who added this to all his auctions, he has about 50–75 up each week, and he has generated 5 sales in the last 2 months. He sent me an email last week to say thanks, "Online Auction Academy is now making almost my entire house payment each month just for adding those lines to my auctions"

Online Auction Academy uses a 3rd party company, Kowabunga Technologies, to oversee the affiliate program and you are provided an admin area to check all your stats including how many people click your link, how many sign up, sales generated, commission due, etc.

The other way you can generate some money is from past sales. Based on your feedback rating you should have a pretty good size email list of people you've done business with. Because you have

already established a business relationship with these people you may contact them with some info on taking that free class. A great example of this is Cameron Dunlap. He's an affiliate who had a list of just over 6000 contacts he had done business with and emailed them about the free class. I've attached that email for you to read. That letter, to date, has generated over 53k for Cameron(Beanie Babies). Obviously he's they're top affiliate and has some great contacts. But there's an excellent chance your list will be very profitable.

You can sign up for this Power Seller Affiliate program by clicking on the link below. If you have any other questions please feel free to contact OAA directly and ask for Mark Israel. He's the G.M. at their training center in Reno; Nv. Let him know that I invited you into the new affiliate program. He'd be happy to answer any more questions you have and help you get set up. You can reach him at 800–827–0282.

These referral fees from OAA are already my main source of income, including my 9 to 5 job. 2004 is going to be a great year! Talk to you soon.

Sincerely,

Kirk Meyer
