I saw a(n) UFO! by K.A.Cassimally

"Just because we're nuts in astronomy, doesn't mean we are idiots!"

·A UFO is anything seen in air or briefly on the ground that looks like an unfamiliar object...

Was that thing I saw familiar? No, so till there that white little dot is a UFO!

·...and still cannot be identified after the report has been studied by scientifically qualified persons

accept that fact? Or will the military decide to bombard the `flying saucer'?

Sales From The Crypt

By David Riewe

Here are some of them:
