1. Make your reader visualize they have already bought your product in your ad. Tell them what results they have gotten and how it makes them feel. They'll already become emotionally attached before they buy.
2. Turn your ad into an article. It could be a story, or how-to article. This will lead them into your ad without them knowing it's an ad. They'll already be interested when they get to your sales pitch.
3. Make sure you show your reader that they are getting a bargain. Tell them the usual price you sell your product for is \$99. Then tell them if they order today they can buy it for \$69.95.
4. Direct your ad headline to your target audience. Your readers will feel important and belong to a select group of people who buy your product. For example; "Attention! Accountants, Discover A New Way To Increase Your Client Base!"
5. Tell your reader how fast they can receive your product or service in your ad. Their buying decision may be based on how fast they can receive your product. They may need it by a certain deadline.
6. Use bullets to highlight your product or services benefits. Benefits are the key to selling anything, make them stand out in your ad. You can use dots, dashes, or circles to highlight them.
7. Give a money back guarantee that surpasses a normal one. Instead of the normal timed guarantee, give them extra back. Tell them they can keep the free bonus or give them double their money back.
8. Tell your reader they'll receive surprise bonuses. This'll raise your reader's curiosity and make them want to buy so they can find out what the surprise bonuses are.
9. Let your reader know this specific package will not be offered again. You must create urgency so people buy now. You may always sell the same product but not with the same bonuses or price.

10. Give them a couple tips in your ad that will help them with their problem. This will give your business credibility and gain your readers trust to buy your products or services.

By Mohamed Rabea

There are always some great, fast and easy ways to multiply your sales without paying more for extra advertisements.

There are a lot of simple and effective ways that you can implement instantly to multiply your sales.

Here are 7 quick and easy ways for you to multiply your sales immediately.

1– After you sell your product, send your customers a freebie and include an ad on it. It could be a T-shirt, Mug, bumper stickers with your ad printed on it. This will let other people see your ads and order from you.

2– When you ship out your product, include a coupon for other products you sell. This is a good way to attract them to buy more products from you.

3– You could cross promote your product with other businesses' products in a package deal. You can include an ad or flyer for other products you sell and have other businesses selling for you.

4– Sell the reprint/reproduction rights to your products. You could include an ad on or with the product for other products you sell. You could make sales for the reproduction rights and sales on the back end product.

5– When you sell your products allow your customers to join your affiliate program. So they will make commissions selling your own products. This way your sales will multiply.

6– Tell your customers if they refer few other customers to your website they will receive a full rebate of their purchase price. This way you will turn one sale to few more sales.

7– After you make your first sale, follow–up with your customers. It could be a "thank you" email and include your ad to other related products you sell. Also you can follow–up again every few weeks.

Once you implement those techniques you will notice a great jump in your sales. Also remember to use those ideas whenever you create or sell new products.
