By S. Arya

Introducing Essie 2006 Fall Collection

So many colors and so many styles to choose from. Although Black is the color of choice with celebrities at the MTV Video Music Award Essie has released a full line of fall colors. These colors are sure to be the talk as the cool crisp weather moves in and the warm summer heat is no longer expected.

As the leaves start changing the dark burgundies and deep colors of fall become the trendy colors. These colors are rich and beautiful and will surely compliment the fashion this fall.

Sexy, beautiful and ravishing are the words to be used because the colors are amazingly tantalizing and yet modern.

Essie Nail Polish has once again introduced colors that are in line with the season take for example the Essie Nail Polish – Big Bag Theory. A sexy red that can be used for a night on the town or in the office workplace.

Essie Nail Lacquer for Fall 06 comes in six flavors. They are:

- Essie Nail Polish - Be Right Bag o A beige to be remembered
- Essie Nail Polish – Big Bag Theory o Red and luscious
- Essie Nail Polish – Clutch Me If You Can o A deep warm brown that will match any of the neutrals you wear
- Essie Nail Polish – It's In The Bag o A pink linen tone that will make any hand a crowd pleaser
- Essie Nail Polish – Rock the Croc o A deep burgundy like a fine California merlot
- Essie Nail Polish – Sassy Satchel o A warm red that will make any night by the fire more romantic

Once again Essie has redefined the colors of the season. Catch them before the next collection is released the Essie Holiday Collection. As always Essie has brought to all women the colors that will define the next three months. We hope you enjoy them.

2006, Is It Your Year?

By Hifzur Rehman

Do you think 2006 is "YOUR" year or just "another" year in your life similar to the previous ones? What does 2006 mean to you?

What is your slogan for 2006?

2006 is My Year of Happiness

2006 is My Year of Success

2006 is My Year of Achievement

2006 is My Year of Marriage

2006 is My Year of Fitness

2006 is My Year of Spiritual Enhancement

2006 is My Year of Financial Independence

2006 is My Year of Getting Excellent Results in Exams

2006 is My Year of Learning a Foreign Language

2006 is My Year of Improving Writing Skills

2006 is My Year of Buying a House

The bells are ringing and we are just counting the days when 2006 will enter into our lives. Are you fully prepared to welcome 2006 and want to make it the most rewarding, fruitful and memorable year of your life?

What mistakes did you do last year? What went wrong with your agenda? What remedial actions do you want to take now?

Are you expecting some miracles to occur in 2006? Nothing positive will happen unless you take control of your life and decide to change your life in the manner you want to live. Without effort and without proper planning your fate will remain the same as it is in the present moment.

Wake up! Face the reality and act now! Start 2006 with a strong commitment. Choose your own slogan for the new year. Make it YOUR year. Say loudly and repeatedly "It's MY year, every day is MY day, every night is MY night and every month is MY month (January to December)".

Are you ready to jump start new year with a new slogan, new vigor and new enthusiasm? I am sure, you are, because it's YOUR year. Good luck in the year 2006!
