Short Story Writing Tips:

Their eyes will glide over the title and into the story before they realize it. The action will be instant.

So how do you write compelling titles?

Start by learning from the masters.

If you don't have any magazines handy, take a look at:

www.amazon.com

(in the books section.) See

what titles are listed there. Or look at your bookshelf.

Compare them to your title.

Is your title compelling?

Read through your story and on a piece of paper jot down sentences and/or words that appealed to

Select a few words and look through a thesaurus for a nicer sounding synonym.

Choose the most appropriate group of words for the title.
