Give Your Attitude A Little Altitude

By Michael Dixon

Need a way to make your life a better place to live?

Life is our perception of what it is, not necessarily the reality of what it is.

Put a smile on your face and keep it there. It is impossible to feel bad when you are smiling.

Smile every time you look in a mirror.

Smile at people when they enter your office, home, or wherever. Smile at those you meet on the street.

Smile when you answer the phone and throughout the conversation.

Smile NOW!

Feel your attitude gaining altitude?

Still feel bad?

I'm smiling as I say, "Have a great day!" :-)
