I recently wrote and had published my first book, My Walk with the Lord. This book contains short testimonies of how the Lord has led me, guided me, and used me for the past 17+ years. The local newspaper editor wrote an article about it and said "This book is well worth reading. This publisher read the manuscript before it was published and wept.....the vignettes in the book will appeal to everyone in their varied walks in life. Some of the stories are accounts that are nothing short of miraculous."President George Bush wrote upon receipt of my book "Thank you for your kind gesture".Georgia Governor Perdue wrote ".....I especially appreciate the way that you have allowed God to use you and your gift of writing to help others. Thank you for sharing your writings with me."Major General Eric Olson wrote "...your book will be placed in the base library for service members and their families. Your life experiences are an inspiration to everyone."Elsie from Florida wrote "...I couldn't put it down until I had read the whole book!!!"From Dr Reed, a friend of John Hagee, San Antonio Texas..."It means so much to me!"From Tennessee..."Your book has been a great

blessing!"From Florida " ..I was so excited to get your book..I read it all the first night! I feel truly blessed"From Texas "If anyone hasn't yet read this book, it is a must read! Once I began to read, I couldn't put it down!"From a reader from Barnes and Noble " ..I don't read many books, but reading this book I could not put it down until I finished."From Texas "received the book and began reading...I can't hardly put it down.."From South Carolina " ...you caused me to stay up until 3AM reading your book...I couldn't put down the book."A reviewer from Writer's Digest wrote "...This is a very lively book and nicely produced in all respects. The author's voice is friendly and down-to-earth and the material is very personal in a way that invites readers into the book as well as entertains.....The author's stories, taken from real life, are the kind of reading we all can enjoy since they involve people and people's experiences. Certainly his life of prayer will provide an inspiration to all."My book was released on 18 November 2003, and over 350 copies have been distributed. One man bought 20 copies to give as gifts to his friends. It has spread across the United States and is in England, Iraq, Germany, New

Zealand and Switzerland.

Many of the short stories have been distributed to other people, and they have been blessed.

Some of the stories can be viewed at <http://www.goarticles.com/> or <http://www.faithwriters.com/> or <http://www.authorzone.com/> . My book is listed on <http://www.campusi.com/> www.selahbooks.com and amazon, booksamillion and barnes and noble. The ISBN code is 1589301137

FOOD ON THE TABLE

Food on the Table...story number 22 out of 50 from my book, My Walk with the Lord

Psalm 37.25 "I have been young, and now am old; yet have I not seen the righteous forsaken, nor his seed begging bread."

During a period of unemployment the money was scarce. I was a single parent with three growing children to feed. As I read my Bible that morning, the above scripture spoke to my heart. We were down to a couple of cans of beans and some grits. I went to the Lord and asked Him to send us some money to buy food or send us some groceries, somehow, somehow. I told no one except the Lord about the extreme lack of food.

MY WALK WITH THE LORD..INFORMATION

That evening, the children and I went to church. It was a good time of worship of the Lord. When the service ended, most of those in attendance gathered around the altar and made our requests known to God. As I rose from my knees, I had the peace that passes all understanding and the blessed assurance that everything was going to be okay. This event happened right before Thanksgiving.

When we arrived home, one of my daughters entered the house, and I heard her shout, "Praise the Lord!" I went in and looked on the table. It was practically groaning from the load of groceries piled on it. I opened the refrigerator and it too was full. God had moved on someone to help us in our time of need. That person has a great reward in Heaven! This event not only increased my faith but helped my children's faith increase. God is faithful!

Luke 11.3 "Give us day by day our daily bread."
