Media Player Shootout

. For the sake of this article I am only going to discuss players you can get for free and I am not going to go into p2p apps.

Back in the day, we had

Winamp

, and it was good. Unfortunately

the original Nullsoft team has all

moved on

and instead of the hacker cred that Winamp used to have back when Justin Frankel et al

were on the job it is now just another corporate media player with a hazy future.
