"Money Making Secrets Revealed" E-Book Review

By Jeremy B.

If you're like me you've probably fallen for some get rich quick scheme on the internet.

After wasting a lot of time and money I've come to realize that there is no such thing as getting rich quick. Trust me I've done it all from paid survey's to buying goods wholesale and trying to sell them.

I was becoming content with working my normal 8 to 5 job barely making enough money to pay my bills, until I came across The Rich Jerk

After reading the Rich Jerks website I was eager to buy his e-book. So I purchased a copy and to my surprise it was well written and had a lot of useful information. The only problem with the Rich Jerk's book was that you had to have money to make money. Now most of us are trying to find a way to make money not give more of it away.

So I did a little research to try and find out what other people were saying/doing with his book. I found out that a lot of people we're just like me. Upset they just spent their hard earned money only to find out that you had to spend more money just to make money. At this point I was ready to give up.

Until I was lucky enough to come across ThankYouRichJerk.com

Apparently a young lady by the name of Holly Mann also bought the Rich Jerk's book and put it to good use. After reading through her site I noticed that she was also selling her own e-book. Now I was very skeptical about buying hers especially after I just bought the Rich Jerk's. After reading her website I felt compelled to purchase her book. The reason I finally decided to buy her book is because she didn't promise to make me a millionaire over night (which is impossible).

What she did promise me was that she would give me the tools to make a comfortable living on the internet. Once I read her book I found some similar information that was in the Rich Jerks book. But there was also a ton of information that he didn't have. She also shows you how to make money by spending money. The thing I liked the most about the book is that she teaches you how to make money without spending it. This was right up my alley!

"Money Making Secrets Revealed" E-Book Review

I've had the book for a little over a month now and I've doubled my revenue on one of my sites. I honestly didn't think it was possible to make decent money on the internet but thanks to Holly I know it's possible. The book is useful to not only new comers like you and I but also to the advanced Internet Entrepreneurs . This is NOT a get rich quick scheme it does involve some time and effort. There is not a doubt in my mind that within the next 6 months I'll be able to quit my boring job and start working from home full time.

Holly I can't thank you enough for the information. In my opinion it's worth triple what I paid for it. I'm finally on my way to the financial freedom I've always wanted. THANK YOU!!!!

Magical Dolphins Ans Surfing Cats

By Lani Lowell

Hawaiian Children's Books celebrate the magic experienced by the keikis(children) of Hawaii. Hawaiian Surf and Dolphin Magic is the newest original Hawaiian Children's book for adults and children alikw who are enchanted by the natural magic of Hawaii.

Magic Dolphins can be real or imaginary– both "species " enchant humans who are sensitive and open to the Magic dolphin's loving vibrations. Many of the Magic Dolphin teachings are revealed in the Hawaiian Children's book series, beginning with Hawaiian Surf and Dolphin Magic.

Hawaiian Surfing is quite different from surfing and bodysurfing anywhere else in the world. Hawaiian Surfing has a special magic to it as it is the place where the art and sport of surfing began. Nalu is the word for Hawaiian Surfing.This word holds the secrets of meditation; the secrets to the magic of Hawaiian Surfing. Order Secrets of a Kahuna Bodysurfer:A Spiritual Adventure Guide Book and Cards by Lani E.Lowell to learn more about Hawaiian Surfing.

Kauai's Magical Secrets are expeined strongly by those who visit it's magical shores from around the globe. The profound secrets are now exquisitively captured in a wonderous book series by author Lani E. Lowell. Now Kauai's Magical Secrets can be revealed and experienced anywhere in the world.

Lani Lowell is an author of children's books and a spiritual counselor/astrologer.
