Most Effective And Most Inexpensive Ad by Bilal Babic

Probably you presume that I will write about eZine ads.
No I wont.

Even though they are effective and inexpensive, they will
come only after you successfully accomplish the most
important ad in Internet Business – your own Web page.

What? You consider Web site as a product not as an ad.
Well, in business Web page is an ad.

These days if you are in any kind of business, not having
your own Web page is like not being in business at all.

Look at any television or print ad and you'll see the URL
included at the bottom. Why? I'll tell you why.

Having your own Web page is an amazingly simple and
effective way for advertising with possibility of reaching
thousands of people, if done well. But the best part is
that it's amazingly inexpensive.

For a couple of bucks you can have something nearly as
valuable as a magazine spread. Instead of buying an
extremely expensive full-page ad in major magazine, you
can instead buy a low-cost classified ad in the same
publication, wich lists URL of your Web site.

Your classified ad becomes "ad for your ad". But while the
classified is just a few tiny words, it points to your full

The Significance and Benefits of Email Marketing

By Justin Brown

There is no dismissing the fact that e-mail, also known as electronic mail, is an indispensable medium of marketing on the internet.

Internet as whole has a wide marketing area because of the fact that it is available high and wide throughout the world. This makes it accessible to almost every country and eventually to the people in those countries. E-mails are very techno-savvy and also very effective and fast. This is the reason that we can now see e-mails developing as an indispensable media of marketing.

Over the years individuals and businesses have started realizing the advantages of e-mail marketing. E-mail marketing carries a lot of advantages along with it. Some of the benefits include:

Speed:

This is the main factor as to why e-mail marketing is considered advantageous over other medias of marketing. E-mail marketing along with it brings the advantage of high speed. E-mail marketing has a very high speed of information transfer. It just takes a second for the person to transfer information from his working place to the internet, where anyone can view it worldwide.

Reach:

Another factor as to why e-mail marketing is considered a good option is because of the fact that it has a better reach to the people worldwide than other medias of marketing. E-mail marketing knows no boundaries and this helps people to continue to conduct their marketing work on a large scale. The higher reach of e-mail marketing attracts more people towards it and thereby assists the whole marketing process.

Inexpensive:

E-mail marketing is comparatively cheaper than that of some other medias of marketing. Individuals and businesses do not have to incur any special or extra cost to market their product or point of view. Being inexpensive, it suits many and thereby a lot of people resort to e-mail marketing for a large part of their online marketing efforts.

Effective:

E-mail marketing is very effective and a very popular form of marketing. The reason being, that they are very techno-savvy, very fast and still pretty cost effective. This whole package makes e-mail marketing very cheap and pretty attractive. This is the reason that e-mail marketing is effective and thus more approachable.
