**Mother's Day – A Royal Event by Arleen M. Kaptur**

Mother's Day is truly a Holiday for that very special person in your life that has catered to, taken care of, and brought you to where you are today! She has served countless meals, washed thousands of dishes, kissed hundreds of "owies" and has been there to hold your hand for those monumental catastrophes as well as little "molehill" disappointments

While you may not have agreed with everything she did or say, you could always count on her love and care.

Serve her royally, give her only the very best, and watch the delight in her eyes. Enjoy!
