NATE PERKINS LIVE! WE'RE AT A CROSSROAD. TALK TO ME.

Perkins, Nathaniel W. LTC, USA, (Ret) (2004). Nate Perkins Live! We're At A Crossroad. Talk To Me: Memoirs Of Perkins' Life. Atlanta: Perkins Enterprises Self Publishing.

NATE PERKINS LIVE! Is a compilation of six talk radio shows, including a DVD of four commercials, an info-commercial and photographs of family, friends, military comrades and mentors, newspaper and magazine articles about Perkins, information technology and businesses he created. The six talk shows entail Perkins' philosophy regarding education, employment, politics, the military and community. The BOOK is dedicated to the President of the United States, George W. Bush, and the Republican Party 2004. Nate Perkins is the most controversial TV host/ Radio host in Atlanta, Georgia.

We're at a crossroad! Talk to me about the ways in which the Tom Joyner Morning Show degrades our parents, children, spouses, gays, military, employers, politicians, educators by making jokes about and laughing at the black community.

We're at a crossroad! Talk to me about the limitations of sports being played by black men in the nation's schools, which fail to require academic excellence along with prowess on the football, basketball and baseball fields. Should we outlaw sports in order to get our children a better education?

We're at a crossroad! Talk to me about politics and military service. Why shouldn't we admire Colin Powell, Clarence Thomas and Condoleezza Rice, when they fulfill the Dream of Martin Luther King, Jr.

## NATE PERKINS LIVE! We're At A Crossroad. Talk To Me.

and so many other African Americans who died for the right for people like them to be in positions of authority and power in the United States Government?

We're at a crossroad! Talk to me about information technology that is speeding so far ahead of the black community that dotes on sports superstars rather the education of young black men.

We're at a crossroad! Talk to me about blacks that hide out in the black neighborhood as Democrats but vote Republican and share in the wealth of the community behind closed doors.

We're at a crossroad! Talk to me about black entrepreneurs who discourage each other from hiring young blacks for fear of stealth, absenteeism and lackadaisical behavior.
