**No Shortcut To The Promise Land: Exodus 13:17 by Angelique Watkins**

Rev. Dr. Pastor Crosby, Pastor INDEFINITE SERMON TOPIC– "No Shortcut To The Promise Land. Exodus 13:17. Moses was born for a certain reason. We all are born for a certain reason.

First, let me share this: Mary and myself was talking on sunday morning before going to worship services and I was sharing with her about Messianic Jews which are Christians and Arab Christian Ministries. I shared with her that the Book of Acts is a great book to read and I shared different scriptures in Acts with her.

On Sunday, September 1, 2002 I was attending worship services with Mary at Rose Hill Missionary Baptist Church in St. Louis, Mo. and the Pastor is Rev. Dr. Curtis Crosby.

On the Order of Services program what really caught my eye was Pastor Crosby's INDEFINITE SERMON TOPIC– "No Shortcut To The Promise Land" Exodus 13:17

The Sermon text came from Acts 6:1–4.

The pastor told us to look at "brethen" in verse 3.

He did share that Wisdom is the fear of the Lord. The church must have strong leaders in order for the church to grow. Leadership is not an option but a principle. In the Old Testament we are introduced to strong leaders. Moses was born for a certain reason. We all are born for a certain reason. When Moses came down from the mountain nobody had to ask him where he had been. He talked about the Kings of Israel. He talked about Joshua being Moses successor who was anointed.

In his sermon he talked about "Joshua", "Levites" and "Ark of the Covenant."

When the time came for Acknowledgements of Visitors I did stand and I told the church and Pastor I enjoyed the sermon. I told the church and Pastor that it was just amazing how he spoke from Acts for I had shared with Mary about studying from Acts before we came to church.

## No Shortcut To The Promise Land: Exodus 13:17

I also shared with the Pastor/church that on fridays that I share with others from Acts 3:1–6 using key words: "Peter and John, went up, together, hour of prayer, ask, look on us."

I did share with them that after 9/11 it made me take a good look at the times and it was time to get serious. I told them that Peter and John, "went up, together" to my understanding they literally went up because the temple was higher off the ground, they were on one accord, "the hour of prayer, ask" they had faith, they asked knowing they would

receive, and "look on us" was not a selfish request.

When I took my seat the pastor thanked me for sharing and then he told me let me add something else "WHEN you go to JERUSALEM you always GO UP."

After services were over I did go to shake the pastor's hand and then he told me I wish I had more time to share with you; then he began to talk to me about the Book of Acts, Stephen, Philip and told me to study about Stephen and Philip.

I then asked him for his address and I asked do you have a card that you can give me? One of the assistant/associate pastors did go and get me one of his cards.

When I looked at the card, it was imprinted in red with the scripture "I Can Do All Things Through Christ Which Strengthen Me" Phillipians 4:13.

I began to think later sunday night I just wonder if this card relates to DANIEL and when I did a cross reference on Phillipians 4:13 it lead me to II Corinthinas 12:9.

verse 9 "To another faith by the same Spirit; to another the gifts of healing by the same Spirit;

verse 10 "To another the working of miracles; to another prophecy; to another discerning of spirits; to another differ kinds of tongues; to another the interpretation of tongues;

verse 11 "But all these worketh that one and the selfsame Spirit, dividing to every man severally as he will.

verse 12 "For as the body is one, and hath many members, and all the members of that one body, being many, are one body: so also is Christ.

verse 13 "For by one Spirit are we all baptized into one body, whether we be Jews or Gentiles, whether we be bond or free; and have been all made to drink into one Spirit."

There are some amazing facts about my trip to St. Louis might think they were coincidence. For one my daddy was sick but even before that I had a dream.

## **Turning Land Into Cash**

### **By Strategic Land Investments**

Land investment is no longer the preserve of the super-wealthy and big developers. As a small investor, and with a little help, you can now turn land into cash.

What's the attraction of land?

When you're thinking of something to do with your money, land is rarely at the top of the list. That's because most people assume that any land with development potential will be too expensive for them, and so they turn to more affordable investments such as savings accounts, FTSE 100 company shares and tracker funds. Take another look at the potential of land though, because it could make you more money than all your other investments combined.

Why are the potential profits so great?

As a private investor, you will be buying a parcel of land within a larger plot; this is what makes it affordable. The land company buys a large area of land that it has researched and which it thinks has a high likelihood of being ear-marked for housing development in the future. The land is reasonably cheap because it doesn't have planning permission attached to it, and so the investment company divides it into smaller plots so that private investors can buy affordable land. If the company is right, and the land is later granted planning permission, the value of the land increases substantially - sometimes by as much as 800% - and significant profits can be made. The UK's demand for housing is increasing every year and there is a constant need for new development, so more land is needed to fulfil the housing need.

Are there risks?

Land is the same as any other investment; profits cannot be guaranteed. There is a risk that planning permission will not be granted for the site where you hold land. That's why you should always speak to a reliable land agent and make sure that you are happy with the investment company's reasons for thinking that the land has development potential. No land agent should promise profits, but if you invest wisely, you could see an amazing return on your investment.

Strategic Land Investments offers a selection of investment land across the UK. For more information, visit their website by clicking
