Norfolk - A Beautiful Holiday Destination

By Sherwood Caravans

Norfolk is acclaimed as one of the UK's most beautiful areas, and it has always been a popular destination for visitors. With its mix of lovely coastline, unique fenland and ancient heritage, there's plenty to do and see, no matter how long you're staying.

Norwich Cathedral

Norwich is the largest town in Norfolk and it is famous for its beautiful Cathedral, which is more than 900 years old. It has the second tallest spire in England, and the largest monastic cloisters. It is free to visit and open every day of the year for worship as well as for general visitors. Set in the middle of the city, it is an oasis of peace and tranquillity.

Extreeme Adventure

Looking for something different to do with your day? Extreeme Adventure is a high ropes course set in Wesaenham Woods. With swings and jumps at 20ft and 40ft and a 1,000 ft long zip wire, adults and children over 10 are sure to enjoy a thrilling day.

The Norfolk Broads

You can explore the renowned Norfolk Broads either by hiring a boat for the day, or taking a guided boat trip. There are many reputable boating companies with boats for hire, or which operate a boat trip and this is one of the best ways to view the landscape and the wildlife of this area.

Sheringham Park

Sheringham Park is a large landscaped park, which is famous for its azaleas and rhododendrons, which flower from May to June. There are a number of marked walks around the park, and viewing towers offer fantastic views of the inland landscape as well as the stunning coastline.

Sandringham Park

Still the country retreat of the present Queen and her family, Sandringham Park was originally built by The Prince and Princess of Wales in 1870. The ground floor rooms are open to the public and display a wonderful collection of art and objects d'art. There is also a tearoom, large visitor centre and access to the 600 acre country park.

Banham Zoo

Set in 35 acres, Banham Zoo is a fantastic collection of almost 1000 animals. Designed so that children can enjoy learning about and interacting with the animals, there are feeding talks and displays, a free Safari roadtrain and an adventure play area.

These are just some of the attractions that Norfolk has to offer. To find out more, plan your next UK holiday with Norfolk in mind.

Top 5 Things To Do In Great Yarmouth

By Sherwood Caravans

Great Yarmouth, on the south Norfolk coast, has been a popular holiday destination for many years. With over 15 miles of beach and a range of attractions, it draws visitors from across the UK and beyond every year. Here are 5 things you should try and see or do on your next trip.

1. The beaches

You can't ignore the beaches at Great Yarmouth - they are the main attraction, and for good reason. All in all, Great Yarmouth has 15 miles of beach, all which are sandy, clean and safe. The main beach at Great Yarmouth was voted 3rd in a UK poll of the best sandcastle-building beaches and that's confirmed by the number of families that visit each year. In addition, there is a safety tag facility for young children, where they can be given a wristband to wear that helps to identify them if they wander off from their families or get lost on the beach. Each of the main beaches has its own community, with shops, amusements and attractions.

2. Theme and adventure parks

There's no shortage of rides, amusements and thrills in Great Yarmouth. The area boasts a number of parks that cater for adults and children of all ages, including:

· The Britannia Pier · Fritton Lake Countryworld · New Pleasurewood Hills · Joyland · Pirates Cove

Whether you're looking for wild rides or gentle amusements, Great Yarmouth has something to offer.

3. The Norfolk Broads

Great Yarmouth's position at the head of the famous Norfolk Broads means that it's a great base for exploring these fantastic waterways. Winding through the countryside, and giving you the opportunity to see some great wildlife and plant life, a day's boat trip is a great way to explore this natural paradise.

4. Sealife Centre

Great Yarmouth's Sealife Centre is a great place to visit. With an underwater tunnel, touch pools to encourage learning and a wide range of sea life to view, it's a popular attraction with all ages.

5. Time and Tide Museum

Great Yarmouth has a proud and varied maritime history, and this is reflected in the new Time and Tide Museum, a celebration of the local men and women who made the town prosperous in the times before tourism.

There are so many other attractions to see in Great Yarmouth, that you can certainly keep yourself and your family busy during your stay.
