Rubber silicone bracelets are the new fashion. These rubber silicone bracelets were made popular

by the Lance Armstrong Foundation. They used these silicone bracelets to raise funds and awareness of the disease cancer.

But how do we customize these silicone bracelets? Some bracelets could already be ordered with specific designs. Take the "Livestrong" bracelets for example. They could be ordered anytime from the Lance Armstrong foundation.

If you want to have the customized silicone bracelets customized with your own design, you can tell the manufacturers what message, design, color and other specifications you would like to put on the rubber silicone bracelets. There are lots of colors to choose from. From pastel colors to metallic colors. You just use your imagination.

After choosing the design, the manufacturer will ask you what method of payment you prefer. There are four common methods of payment for paying your rubber silicone bracelets. They normally accept Credit Cards, Money Orders, Checks, or Bank Wire Transfers. There are a lot of companies online that offer the service of customizable silicone bracelets.

After receipt of the payment, the manufacturer will inform you that they have already received your payment and have moved forward to the production of your rubber silicone bracelets. Now, the only thing you have to do is sit back and wait for your rubber silicone bracelets to arrive.

Turnaround time for the rubber silicone bracelets depends on the number of bracelets you are going to order. For example, 50 bracelets will usually take 12 days to produce and ship. While for 200 bracelets usually takes 14 days.

So you see? Producing your rubber silicone bracelets is as easy as 1-2-3. If you have functions or other cause which you want to promote, these rubber silicone bracelets could be one of the best ways to promote them. They are light, colorful, and cheap to produce.

## **Fun With Customizing Your Silicone Bracelets – Colors, Patterns, Message, Style!**

**By Chris Angeles**

Do you want to be apart from the rest? Do you want to try something new? Then you may want to try to customize your own rubber silicone bracelets. There are so many companies out there, especially online, that offer this service.

These rubber silicone bracelets were regarded by most people as a fad, but these rubber silicone bracelets proved them wrong. For merely 5 years now, these rubber silicone bracelets are still the leading form of promoting fundraisers or causes. They may have already beaten the customized t-shirt form.

These rubber silicone bracelets are good for a lot of things like promotion and being a novelty item. And you ask why? These rubber silicone bracelets are cheap as they are made of 100% silicone. And as we all know, silicone is very durable.

Rubber silicone bracelets cater to all sorts of fashion. You can either go for the plain black or plain white rubber silicone bracelets. Or you can go color crazy and you can put 2, 3, or 4 colors on your rubber silicone bracelets. Most companies offer you to put as many colors on the bracelet as you want, but obviously, the more colors the pricier it gets.

Manufacturers also carry this pantone chart wherein you can choose what colors you want to put on your rubber silicone bracelets. There are thousands of colors to choose from, including the basic colors to the pastel colors, and even the metallic colors. This way, you can be 100% sure that you are ordering that color you are looking for.

You can also choose from different patterns on how to combine the colors. Some manufacturers offer a mix of the colors on the bracelet or you can have them separated on different parts of the bracelet. So you can see? There are lots uses for rubber silicone bracelets and I have just stated a few of them. It's up to you to use your imagination on how to use these cheap rubber bracelets to promote your cause.
