**Ordinary People Can Make a Difference--Annie Tacha by David DeFord**

Ten-year-old Raises Funds for K-9 Unit

Adapted from stories in the Omaha World Herald

Grand Island, Nebraska ten-year-old Annie Tacha wanted to raise \$1,000 to help the Hall County Sheriff's K-9 unit purchase a bulletproof vest.

Chief Deputy Chris Rea asked her to consider raising \$5,000 for a new dog. Their 12-year-old service dog, Ringo, had retired, and their other, Brix, had developed cancer.

Annie decided to raise enough money for the dog and the vest.

Through car washes, walking dogs, and talking to reporters, she has now raised more than \$14,000!

This money will be used to purchase two dogs.

Through her efforts, Annie has inspired other children to raise funds. One unnamed girl brought in \$20.50 that she had raised at her lemonade stand.

Oftentimes in our lives, we see a need in our community, and hope that the government, or some other person will step up and satisfy it.

We look to others to seize the challenge, take the risk, and make the effort.

Annie Tacha is a wonderful example of a 10-year-old who decided to make a difference. Her courageous and caring effort not only satisfied the canine unit's need, but inspired an entire community.

We all have the goodness in us to do similar acts of heroism. Ours may not be as dramatic--but they may be needed as much.

Let's all look around us, find needs that should be satisfied, hurts that can be healed, and lowered countenances that can be lifted up.

"We make a living by what we get, but we make a life by what we give."

Winston Churchill

"Always do right - this will gratify some and astonish the rest." Mark Twain

## Ordinary People Can Make a Difference—Annie Tacha

"It's really a wonder that I haven't dropped all my ideals, because they seem so absurd and impossible to carry out. Yet I keep them, because in spite of everything I still believe that people are really good at heart." Anne Frank

"A big man is one who makes us feel bigger when we are with him." John C. Maxwell

"The time is always right to do what is right." Martin Luther King Jr.

"Beyond your regular vocational duties are responsibilities toward others—toward the community, the state, the nation, society in general, and the church of which most of you are members. The attention you give to these, the energy you devote to these are of the essence of your character and your virtue"

Gordon B. Hinckley

### **Annie Tickets – A True Broadway Classic Returns**

**By Jay Nault**

Annie tickets have moved beyond the simple aspect of seeing a Broadway show. This famous musical has become a rite of passage for families everywhere, and Annie has inspired little girls all over the world to sing, dance and dream big. Annie is a hero, and the show is returning to Broadway for what is sure to be another successful run.

#### About the Story

Annie is a downtrodden little orphan girl whose life has been nothing but a run of hard luck. She is poor, hungry and appears to have no hope for the future as the play opens. However, she has a vibrant personality and a general spark that sets her apart from the typical orphan.

Annie is unhappy at this Depression Era orphanage, as Miss Hannigan, the owner of the orphanage, is extremely cruel. However, Annie's luck changes when local billionaire Oliver Warbucks decides to host a local orphan for Christmas. Annie is chosen as the guest, and she moves into the mansion for her stay.

At first, Warbucks is rather cold towards Annie, but the two strengthen their bond through several experiences. Eventually, Warbucks discovers Annie's broken locket, which she keeps as a promise from her parents to come for her someday. When Warbucks attempts to replace the locket, he is confused when Annie refuses to remove her keepsake, and she tells him why she keeps it.

## Ordinary People Can Make a Difference—Annie Tacha

Warbucks decides that he is going to use his influence to help Annie find her parents, and he takes many steps towards doing so, including appearing on a radio program with Annie. Meantime, the plot's conflict is revealed. It seems that Miss Hannigan and her conman brother have decided to try to fool Warbucks into thinking that they are Annie's parents.

If you'd like to see how this intricate plot concludes, you need to secure Annie tickets to see for yourself, as the story and the production has achieved legendary status for several reasons.

### Adaptations

Annie has been such a success on stage that it has inspired several productions in other formats. A movie version of the story was produced and released in 1982, and it was such a success that a sequel was produced for television in 1995. Another made-for-television film was put together and aired in 1999, and as a result of this recent exposure, girls everywhere are clamoring for Annie much like past generations.

If you want to see a true classic of theater and see a show that the entire family can enjoy, Annie tickets are the perfect way to enrich your cultural memories.
