**Passionate About Organizing - How To Create A Single System To Organise Both Your
Digital And Traditional Photographs**
by: **Kesh Morjaria**

Here's a six point plan to establishing your own system.

1. Decide how you want to organise your photographs
2. Create mirror images on both your computer and photo album

most from your memories you should have a single system that runs across both.

3. Taking your photos
4. Downloading back home
5. Print your photographs
6. Store them and show them (but don't ever give them away)

Kesh Morjaria is passionate about organising and runs

. He provides an extensive range
