Planning Your Wedding

By Sharon Stajda

Tips to Avoid Turning It Into A One-Sided Affair

You just got the most romantic marriage proposal of your life. You said yes, of course. News of your engagement spreads among family and friends and you can't wait for the day when the two of you exchange I do's.

Planning your wedding can be exciting. Important decisions need to be made. However, don't get too caught up in your wedding plans that you forget to involve the other most important person in the event - your groom. You can avoid turning your wedding day into a one-sided affair. Here are some tips:

1. When you plan your wedding, plan it as a couple. This is a prelude to your married life - everything needs to be decided together. Discuss your thoughts and come up with a plan that makes both of you satisfied and comfortable.
2. Don't let your and your groom's differences in religious beliefs and race be an obstacle. Consider having a double-ceremony wedding wherein you receive wedding blessings from both traditions.
3. How formal do you both want your wedding? Decide if you both want a formal black-and-white affair or a semi-formal one? What about having a wedding theme? Consider both of your lifestyles and interests when deciding on this aspect of your wedding.
4. Discuss the monetary aspect of your wedding. As a couple, the two of you should agree on the expenses involved in the wedding. Decide on a wedding budget and stick to it no matter what. Remember, financial stress after the wedding is over can lead to trouble.

Planning a wedding can be a source of stress. It can even take its toll on you as a couple. However, don't let the stress rule love. Remember, the key thing is to enjoy your wedding. It is your special day that you will treasure forever.

Wedding Planning Are Your Steps To Heaven

By Paul Thomas

Wedding planning, do you actually need it? Before you stand in front of the minister, there are thousands of things to get done. There are to be made decisions concerning wedding favors, wedding rings, wedding invitations and wedding accessories. And what about your honeymoon? Where should you travel to? Before anything else you must start out with getting your wedding invitations send I good time before the wedding takes place. You can find information about wedding invitations online, both concerning layout and wording.

You got to think planning. Try a search on the internet for wedding planning. You can find information in abundance. Anything you need is to find: wedding flowers, wedding music, wedding photographers, etc.

You need to make a very detailed wedding plan because if the right things are not done on the right moment you will get sidetracked and loose control. Get the wedding process down on paper step by step and stay on top of the situation. With a plan in your hand you can relax and even enjoy the preparation for your grand wedding day.

If you own a bridal notebook you can keep track of your process from start to finish. Begin your wedding planning several months before the actual wedding to make sure you got time to correct any mistakes that can happen. The first important step is to get those wedding invitations send. Always think ahead. For example: if you have ordered your wedding invitations at some shop, it can take longer to receive them than you think.

If you are forced to make wedding planning on a budget, and need to save money on your shopping. You might consider making your own wedding invitations, maybe even make the wedding flowers yourself, and cut back on expectation to where your wedding party is held. The great thing about doing those things yourself is that your wedding will get a more personal touch, which you can not buy. Great idea if you want a unique and special wedding.

Wedding planning is the most important step to stay on track from start to finish. Do not be nonchalant about the wedding planning issue. Make sure your special day will be perfect.

Thank you for your time.
