Playful or Seductive – 10 kinky things to do this Valentines! by Miss Kensington

Who said valentines was a dinner for two and quick shag at the end of the night. Live a little and have some fun. Well fear not Miss Kensington comes to the rescue, here are 10 kinky things to do this Valentines Day some are playful and some are very seductive you choose and maybe more than one!

Dinner 4 two cooking is very sensual but please be careful! Cook for your partner naked trust me it adds some light humour to the evening you can also put desert onto his cock or her tits to take things a little further! A guy I met one tied a rose around his waist so it covered his cock!

Box of treats You need to both be in a playful mood for this one. Get a show box and wrap it in red paper and tie with a ribbon. Into the box put lots of toys each wrapped individually if you are inventive perhaps have a task on ideas include: satin ribbon long wide pieces for the eyes and thinner longer pieces for the hands and feet, love dice, feather with a task such as tickle me, bondage tape with a task such as wrap me up tits and crutch area are great bound, vibrator with a task such as find me a good home! These are all available on good internet sites, dont feel disgusted see it more as light-hearted fun. The key is you each un wrap a present and even come up with your own idea or perhaps you follow the task.

Post it I love post it notes this is a great one for the guys since they dont have lingerie equivalent. The key is to leave post its all around the house which leads the partner to the bedroom with the final post it being on or about the person leading the trail. For a girl on her tits and for the guy of course his prick. You can have post its such as drink this with a glass of champagne or perhaps eat this being a chocolate or actions such as slip into this or take off your X.

Dress to impress The least you can do girls is to wear a sexy push up bra, thong and suspenders perhaps with some black stilettos or guys why not buy all this as a gift for your girl?

Invitation Classic yet very effective. Leave your partner a note on the bed to meet you in a specific location at a specific time perhaps also leave something behind like a black thong or bow tie. Please make sure you mention to dress for the occasion! This works best when you are booked into a hotel or

perhaps a restaurant. You meet up and create a new identity for the evening, act it out and have fun! Leave your partner a card with the desired identity so they can play along.

If you are thinking about a gift, why not check out my website <http://www.kinkyblackboots.com> for buying guides for corsets and lingerie and some of the best links to online retailers. Get someone special more than just flowers!

Lights on You will be surprised how many people have sex with the lights off, if you aren't confident about your body then you can't have good sex so get those candles on which is a much more pleasing light.

Playing Horsy My cowgirl outfit is my favourite dressing up costume. Denim skirt, stockings, thigh high riding boots and a black bra. Get yourself a riding crop guys and girls and have fun!

Seduction the word here is slow everything is done slowly to heighten your senses and reactions. One of you has to lead. Set yourself up in a comfy area lots of cushions lit by candlelight. Straddle your partner so you are face to face, if you are leading undress your partner very slowly whilst sipping your wine and perhaps kissing your partner. Always leave the underpants on trust me it helps keep things going longer! Take some satin ribbon and just tie round the hands and then blindfold your partner. Start to kiss sensitive parts of their body and gradually take this down to the crutch. I leave the rest to you!

Sex Games there are some great games out there such as twister bed covers, nookii is a great game mischievous but sexy

Speed dating I cannot tell you how much fun this is. Unless you are really playing the dating game invent a new personality a new job, persona and look this adds to the fun. Top 3 questions to ask the lads or ladies.

Q1) What's your favourite sexual position? My answer to this would be straight up in the shower care to try?

Q2) If you could describe yourself as an alcoholic drink what would it be? My answer to this would be a vodka shooter because I like it straight up and can warm you on a cold night

Q3) How would you describe yourself sexually? My answer crazy, sexy, cool!

Stay Sexy! Miss Kensington xxx

Playful or Seductive – 10 kinky things to do this Valentines!

Valentines day is a special holiday for couples in all stages of their relationship. Married, engaged or just a dating, valentines day is the time for you.

We all know what comes along with Valentines, chocolate and flowers right? Well, it's time for a change. This year give your loved one the gift of poetry. Poetry you ask? Yes.

Poetry lets you show your true emotions and lets your partner feel they are truly special. The poem doesn't have to be something you get from a well known poet and you don't have to go out and buy the latest *Poetry for Dummies*.

Poetry is about arousing senses and showing emotion. If you do that, you have a great poem.

However, if you feel you don't have what it takes to write or you are just plain lazy, there are many great places you can buy poetry, both customized and non.

One such place is

. They have a nice selection of poetry with great customer service. I

highly recommend them.

Valentines day is still a few days away, so you still have time to get your poetry ready for your loved ones. Give them a great gift this year, the gift of poetry!
