Poetry to make you smile at stupidly rampant at present. by Malcolm James Pugh

Utopia.

My motorway is crumbling,
With an enforced fifty limit,
and what is even more humbling,
Is there are speed traps in it,
Still I use the extra petrol,
Paying more tax as a result,
Vainly seeking for a reason,
Behind the latest congestion fault,
Taking solace from my car,
As it could have been the train,
Better to just be delayed,
Than never be seen again,
And stagger home as ever late,
To find a letter in the hall,
From a burglar who is suing me,
Over a dangerous interior wall,
That coupled with the TVs weight,
Caused serious damage to his spine,
So he cant get out now to burgle,
And its not his fault its mine,
At least he hasnt claimed at all
Loss of earnings to be backdated,
But before I reply to him,
I have to have it all translated,
As he is not from these shores,
But just resident for a while,
So as they wont deport him,

Poetry to make you smile at stupidly rampant at present.

I have to pay up and smile,
Lucky I may also pay myself,
From what I have been reading,
As as a victim of a burglary,
Im entitled to money from my speeding,
When caught recently at midnight,
Doing twenty in a fifteen zone,
Coming up my private driveway,
TO the entrance of my home.

Give a Gift of Poetry this year to your Valentine by Gary R. Hess

Valentines day is a special holiday for couples in all stages of their relationship. Married, engaged or just a dating, valentines day is the time for you.

We all know what comes along with Valentines, chocolate and flowers right? Well, it's time for a change. This year give your loved one the gift of poetry. Poetry you ask? Yes.

Poetry lets you show your true emotions and lets your partner fell they are truly special. The poem doesn't have to be something you get from a well known poet and you don't have to go out and buy the latest *Poetry for Dumbies*.

Poetry is about arousing senses and showing emotion. If you do that, you have a great poem.

However, if you feel you don't have what it takes to write or you are just plain lazy, there are many great places you can buy poetry, both customized and non.

One such place is

. They have a nice selection of poetry with great customer service. I

highly recommend them.

Valentines day is still a few days away, so you still have time to get your poetry ready for your loved ones. Give them a great gift this year, the gift of poetry!
