Praise Team Ministering In Egypt

By Angelique Watkins

Praise Team Ministering In Egypt by Angelique Watkins

After the November great event, many people and friends asked that the Praise Team in Egypt repeat the occasion and make a big Praise gathering.

Details are as follows:

Kasr El Dobara Church – Tahrir Square, Cairo

Actually they are praying that people may not only praise God but get to know Him more and have fellowship with Him more than ever before, this is our aim from this praise gathering. So please even if you are not free to join the Praise Team or not living in Egypt, just pray for the gathering and that people may decide to have praise as their life style.

As for The Egypt Praise Team news:

This month they went to some Egyptian States (Mohafazat) for praise services like Menia (Maghagha), Helwan, Zaqaziq and Assiut (Dayrout). I will share only one of them quickly:

On Friday March 17, they went as the whole Praise Team to Dayrout Assuit, an Egyptian state: It was great, actually it was much more than they ever expected, it was one of the large services they outside Cairo; audience according to the administrators there were 1,700.

Since the space was limited, they performed twice in the same evening so that people could attend one of the services (not both), so people who attended the first service could not attend the second.

Praise Team Ministering In Egypt

First service people went out from one door and the second service audience entered from another.

People were on three floors, all of them full and outside the doors, the staircase, the corridors, etc. everywhere was packed with people.

Service itself was so great, People were very much thirsty for the word and for praising God.

Many people during the service decided to follow God and repented from their sins, Praise God.

First service took 2 hrs 40 min. and the second was 2 hrs 20 min.

It was an experience to many there to have a Christian Music Team go there and Praise God with them.

The Praise Team of Egypt truly thanked the Lord for all what He has done. Though they were so tired and exhausted. After the service they were meeting with individuals, praying with others for another 90 min.

They hit the road right after the 2 meetings (and after loading the instruments on the vehicle) at midnight and reached each to their homes at around 5:30am on Saturday as around 6 out of the 20 members had to go to their work and universities on Saturday morning.

It was another great experience praising the Lord as a team. Praise God, he deserves all praise, it is we who do not really deserve to praise Him.

The Praise Team is still on the decision as to try how to best reach as many places outside Cairo as possible for the same reason we shared with me in March.

They are still on their promise with the MP3 page that everybody loves to listen to.

Do not forget also to lift a prayer for the Praise Team ministering in Egypt, They do NEED IT.

Have a great time praising the Lord. God Bless You.

Much Love to all,

Sin'g'cerely,
Cairo Egypt Praise Team

Traveling Around Egypt And Back

By Cathy Peterson

Egypt is one of the most thrilling places, mainly because of its Pyramids. Egypt is also one of the vacationing spots for the people living in the west and also people living in other parts of the world. This is the perfect trip for a family who wants to add an educational value to their vacation. Unlike most vacation spots, parents drop their children off at an amusement park for hours at a time. A trip to Egypt is a trip that the entire family can enjoy

A grand tour for Egypt starts from Cairo (Ancient Egypt), which includes religious and Islamic sight seeing. Cairo is also one of the major airports in Egypt. Normal tour for Cairo will start from Giza pyramids (Great pyramids), Saqqara (Step pyramid) and even the Egyptian Antiquities museum. This is like a first day tour.

Then the tour usually moves on to Luxor and Aswan, these places are visited either by train or flight. Tours also include visiting some places like Citadel and Khan el-Khalili market in Islamic Cairo, also visiting the churches and Coptic museum in Cairo.

Egypt is a place for Religious tours, Adventure and Specialty tours, golfing tours, fishing expeditions, Birding tours, Nature tours, Simple Holidays, Beach vacations, Scuba diving vacations, Western or Eastern Desert, The Sinai, Jordan, Kenya and the Israel.

Shopping is unlimited in Egypt being a historical and a religious place, one can find many exciting and inventive things to buy.

Food is delicious in Egypt, some of the famous delicacies of Egypt are, Egyptian bean salad, Egyptian stuffed egg plant with rice, meat and okra stew, Egyptian stuffed pigeon, Egyptian green soup, Egyptian salty rice, stuffed grape leaves, fig cakes, um ali (famous dessert of Egypt), Egyptian spiced drink etc... All the dishes of Egypt are made in a unique way; there are recipe books available for people who become lover of the food in Egypt.

Arabic is a common language that is spoken in Egypt. It is not very hard to learn basic Arabic so communication is made between people who do not understand English.

There are various transports that are available in Egypt, getting to places isn't difficult because of the arrangement of buses, trains, water transport and flights. It is quiet reasonable to travel in Egypt.

Proper planning is recommended so that one would not get confused if going to Egypt the first time. Maps are available so detailed study of Egypt will help in the entire trip.
