Rhiannon Waits sends spiritual Messages

Rhiannon Waits sends spiritual Messages by Barbara Cyndel

On the surface, it seems the mounting number of fans are due to Rhiannons Psychic and medium abilities, Yet under close scrutiny, one would find that her accuracy concerning future events and her ability to speak to "spirits" is only a part of the fast growing Rhiannon mania. The words she speaks appear simple to her, nevertheless to the world they are pearls of wisdom facilitating light into what once was a bleak situation.

In the beginning, I thought Rhiannon to be one of the usual psychics found on the web or through a phone line. I was intrigued at the praise and popularity of such an individual. Being somewhat cynical, I contacted Rhiannon for a reading. Within the first 15 minutes, I understood why the public could trust her explicitly.

In these troubled times of financial hardships, wars, moral deterioration and the break down of monogamous family bonds, one can easily find despair at their doorstep. However, contact with Rhiannon has found countless individuals finding guidance on the path of happiness and enlightenment. To quote author Denice Jones " How special is that?" Denice praises Rhiannons abilities. Denice Jones is known for her expertise in the paranormal field.

In a phone interview with Rhiannon, I had to ask the provocative question. Do I hear wedding bells in your future? With the grace and ease of a true Southern Belle, she slid past my probing question and onto another topic. I could almost sense a smile as she did. Could this mean a yes? One might have to find this elusive mystery man for a personal interview. He could shine the light as to how it truly is to be at the heart of Rhiannon.

In a polite, dodge of questions concerning her private life, I addressed the topic of her accuracy. Rhiannon comes off with simple remarks such as " I listen to my spirit guides, and yet I can make mistakes ... I am human ". She seems innocent as to why everyone treats her special. Maybe that is part of the beauty of Rhiannon, she does not know she is special. She has talked to angels and spirit guides her entire life and the ancient knowledge and abilities she has seems everyday knowledge to her.

In other news, a close source has information that Rhiannon's home will be the stopping place of yet another prestigious guest. Mr. Jim Foret, respected authoritarian on the Ancient Crystal Skulls and possessor of three, will be at Rhiannon's home at an undisclosed date. It appears a friendship has formed between these two highly respected individuals.

Simply Psychic, close friend and associate of Rhiannon, states Rhiannon has had lengthy correspondence with Joshua Shapiro. Joshua Shapiro, well-known explorer of the Ancient Crystal Skulls has made headlines across the world and Internet. Considered the "Indiana Jones" among his colleagues, his quest to unearth the crystal skulls and their mysteries, leads him across the world.

Rhiannon starts her fall tour in Navarre, Florida at a Metaphysical Festival with Unlimited Horizons of

the Emerald Coast. Close associates state Rhiannon felt drawn to appear at this Festival. If you are in the area September 13 or 14th, you will be able to meet her there.

I encourage you to visit Rhiannon's website, and find out why people are rallying around Rhiannon. The website has the ability to help you with chat capabilities throughout the entire site. One click on a Live Help button will produce an expert to guide you around the site or to a reading.

I, Barbara Cyndel, will never hear Fleetwood Mac sing "Rhiannon" again, without reminiscing of my encounter with Rhiannon Waits. The lady just brings a warm feeling and a smile to your lips. She is indeed the gentle psychic the world loves to love.

World Renown Psychic Rhiannon Waits's predictions fulfilled, Message for Kobe Bryant

By Rhiannon

Rhiannon, (World Renown psychic who has amazed both skeptics and the Psychic world) is again making predictions. Her last prediction, a major blackout would occur and New York would become dark in August, has been fulfilled.

This time Rhiannon is predicting a major hurricane will hit the panhandle region of the United States by the end September, beginning of October. Areas she feels may be affected and are at high risk are Florida, Alabama or Louisiana. She is releasing this information now, so people in that area can make preparations for the Hurricane that she predicts may hit their area. Rhiannon cautions that not all her visions are 100% correct. However, I feel, her averages on accuracy have made her predictions extremely noteworthy to all.

Rhiannon also states that Kobe Bryant is innocent of the charges pending against him. When asked why these charges were implemented if he is innocent, her reply was " Things are not always what they

appear to be". Rhiannon further states, " Kobe Bryant made a mistake but he never forced anyone to do anything. He is a kind and compassionate man who loves his family dearly. I am not a sports fan, so I am not being swayed by dedication to the sport. I read Mr. Bryant on TV and my heart went out to him and his family". When asked to elaborate on her statement, she replied, " This is something I will not reveal to the general public".

Rhiannon has her own web site www.psychic-rhiannon.com, and refuses to be part of other psychic sites on the web. She feels there are too many self proclaimed Psychics on the web informing people only what they desire to hear. That is why she is only allowing psychics whom are tested and previously established as accurate to list on site. Rhiannon will be publishing her predictions on her website along with messages she receives for people.

Rhiannon will be touring in the coming months. She will be appearing at the Expo in Navarre Florida, Sept 13th and 14th, Gulf Breeze Expo the last week-end in October, the Holistica Expo in Atlanta on the 15/16 of November and at the Life Expo in Charlotte the following week-end.

Touring with her will be Simply Psychic and Steve Grainger. Simply Psychic is a trusted friend, psychic and advisor, who is listed on her site. Mr. Grainger is the mystery man in Rhiannons life.

Barbara Cyndel media representative for the company Rhiannon LLC, has published many releases and information concerning true gifted psychics.
