Student Removals – How to Get the Lowest Quote by Stephen Willett

So the problem for most student movers is in finding a company who will **part load** at a good price.

Moving Tips

- 1) Spend some time phoning around: There is an element of luck in finding a van going your way.
- 6) Consider any likely impediments to access or delivery (like locked barriers on campus)

The quote you accept must allow for sufficient time, labour, and van space to handle your property

Now the low price you get will also represent good value.
